Memories

"Oh sometimes skies are cloudy,
And sometimes skies are blue,
And sometimes they say that you eat the bear
And sometimes the bear eats you."

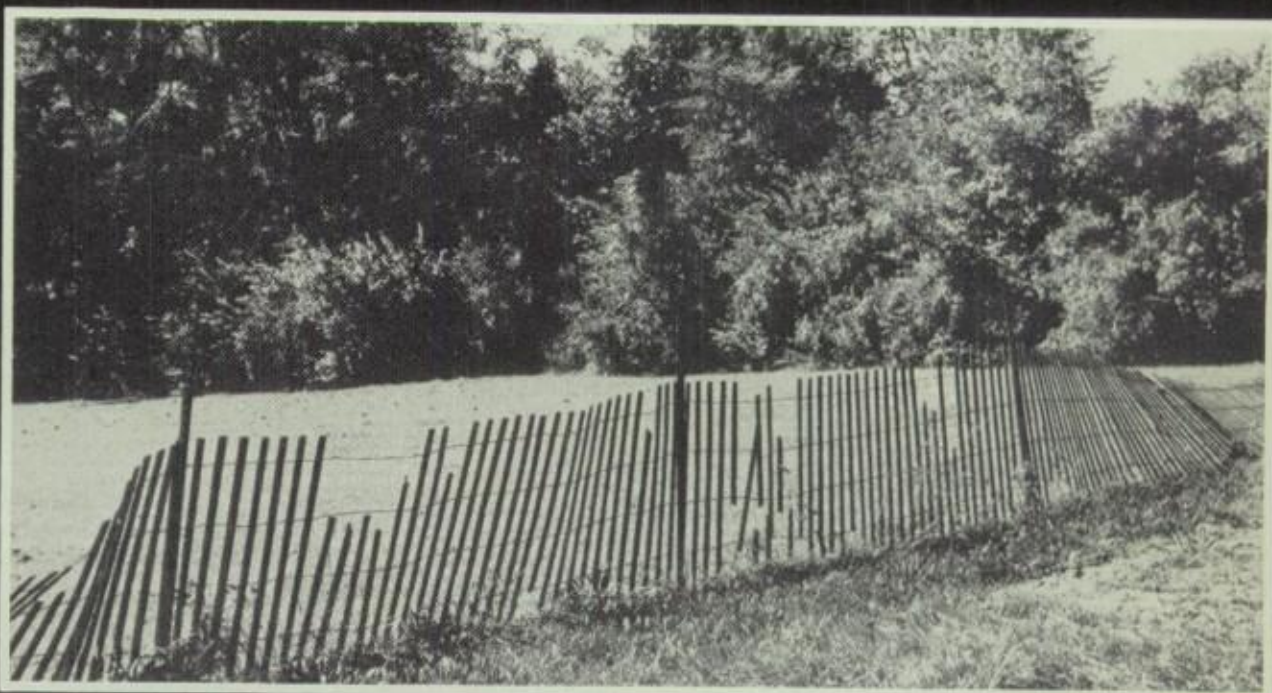

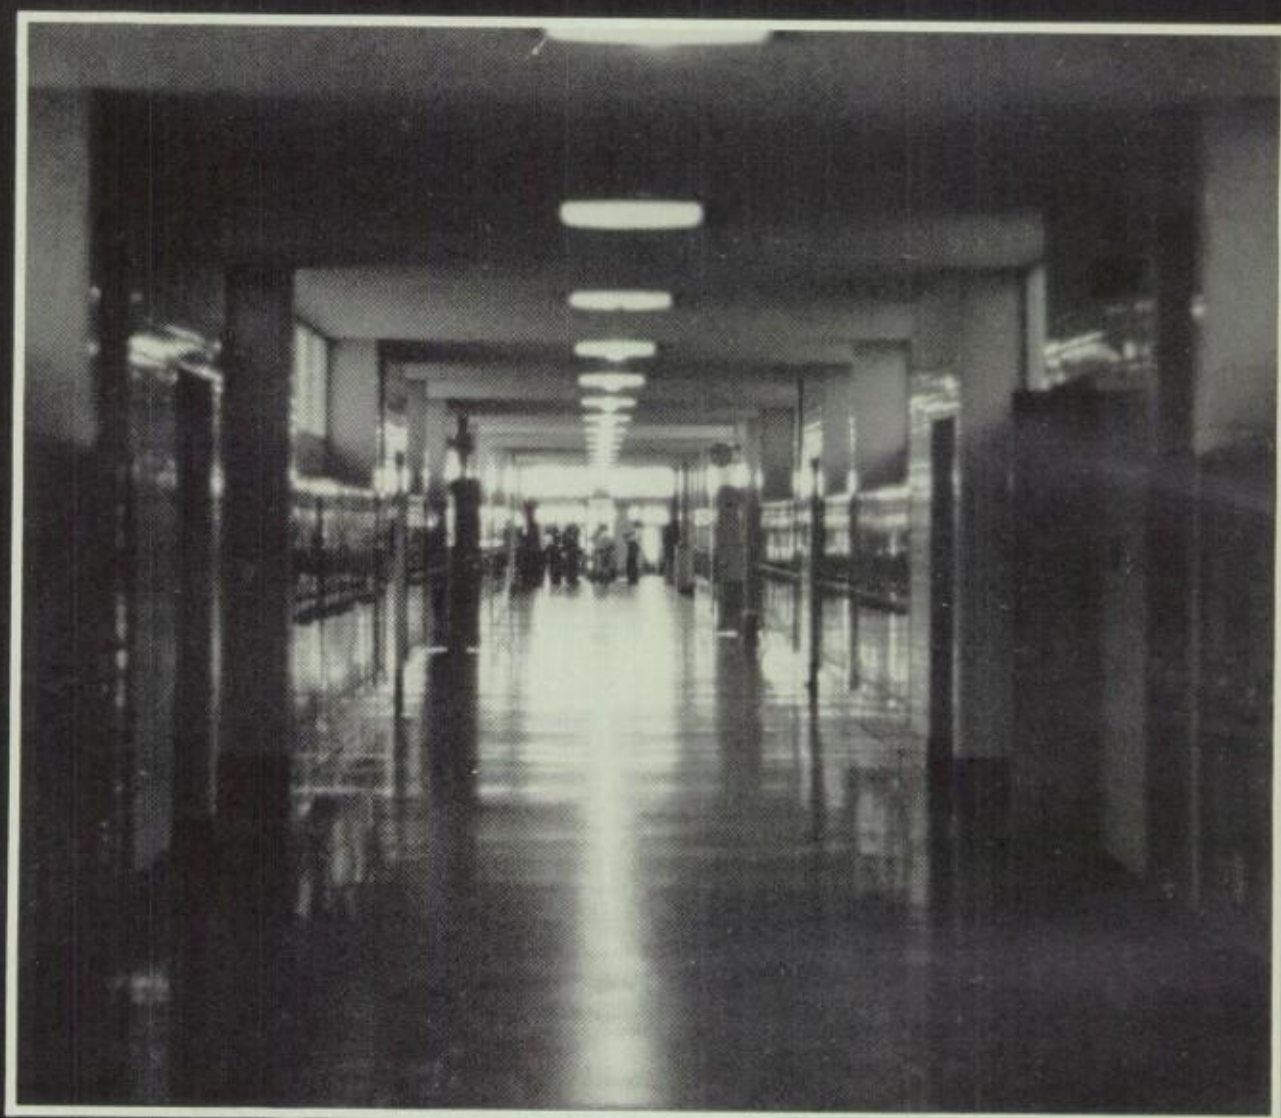

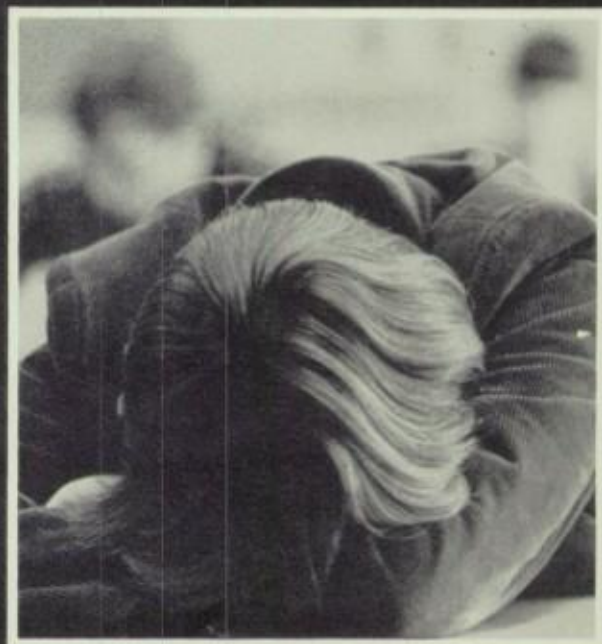

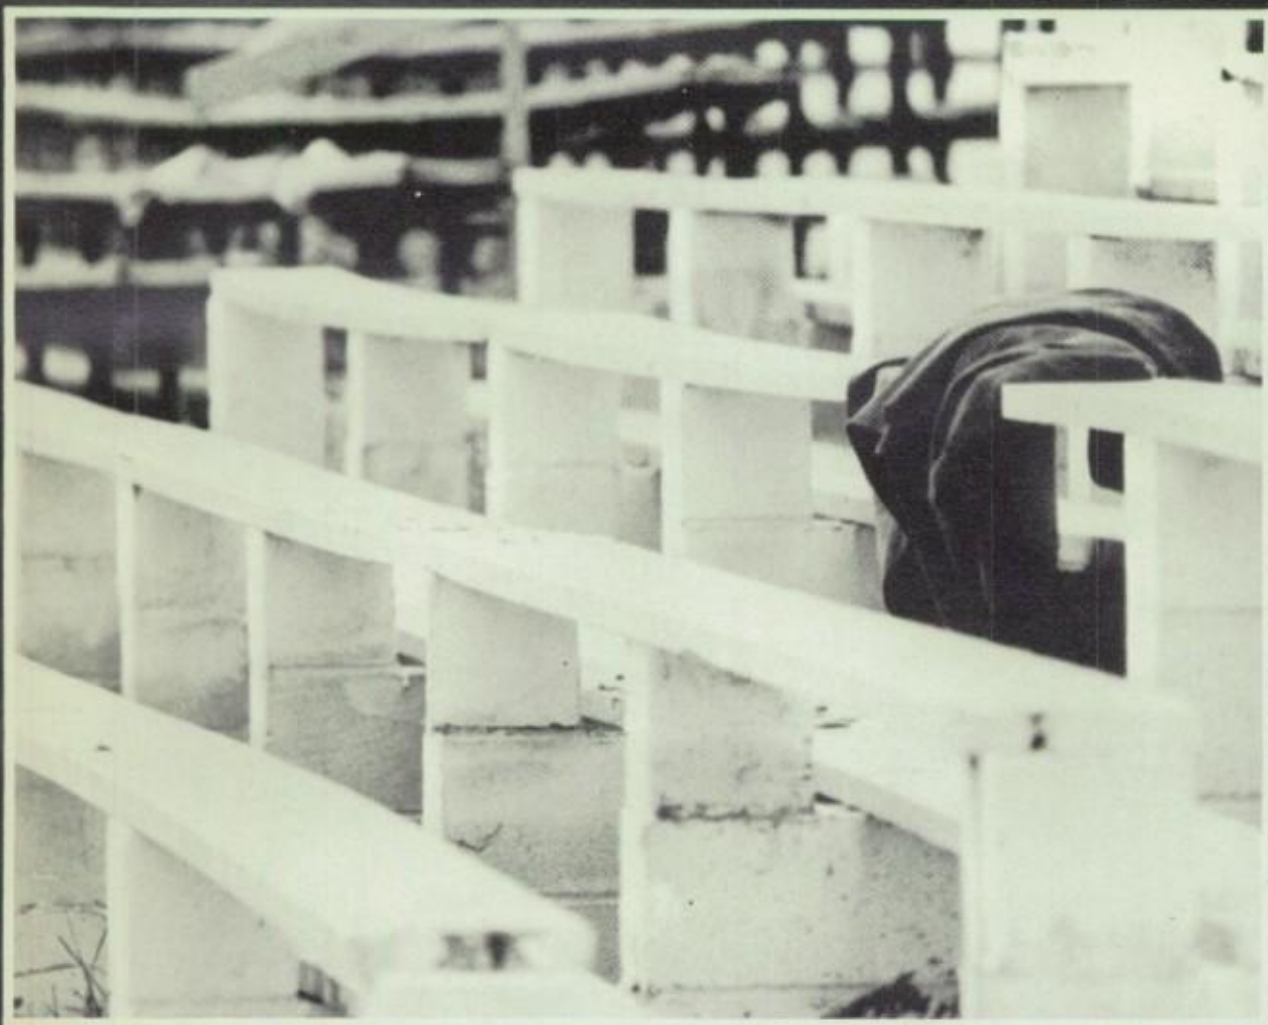

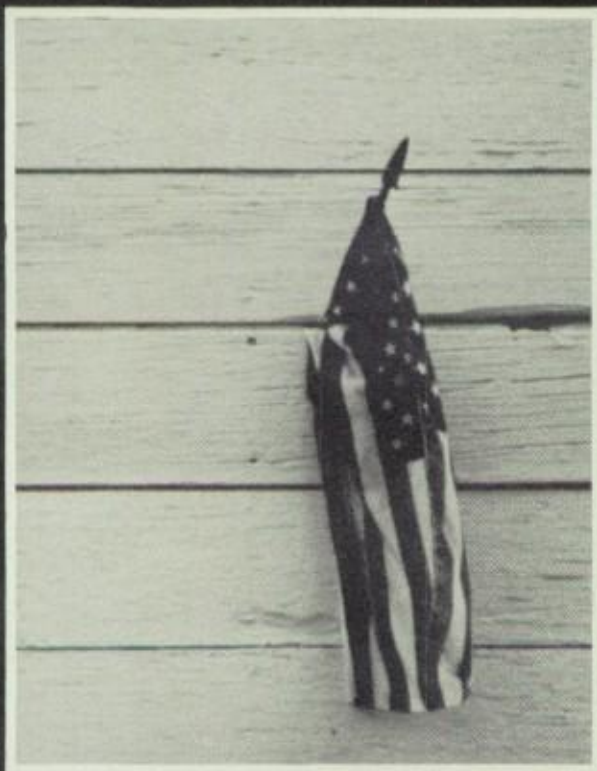

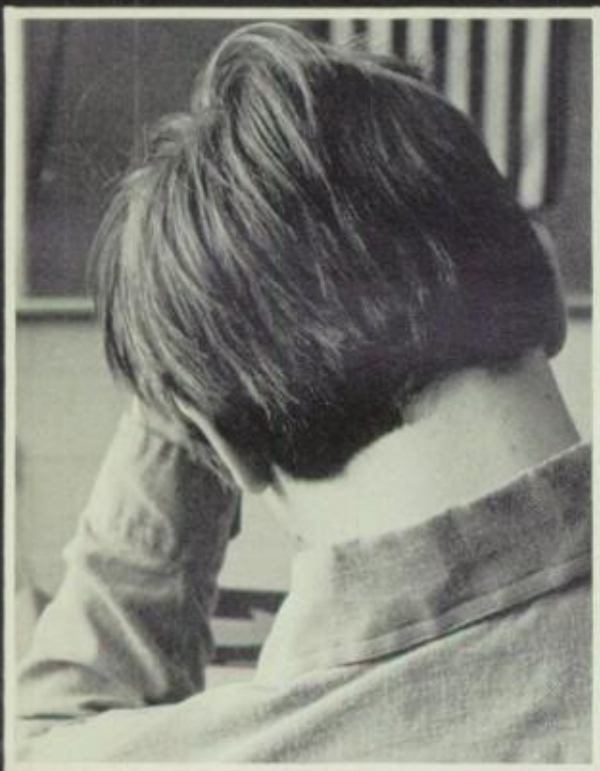

"But after all
it's what we have done
that makes us
what we are."

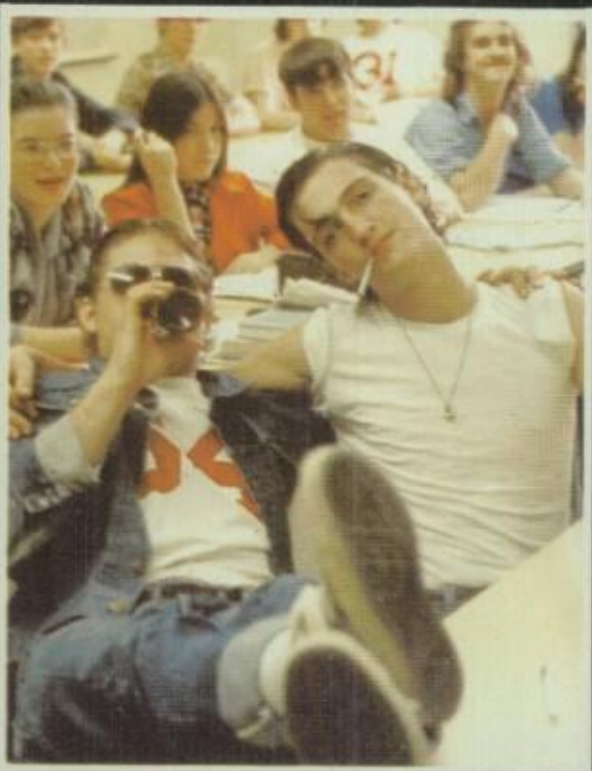

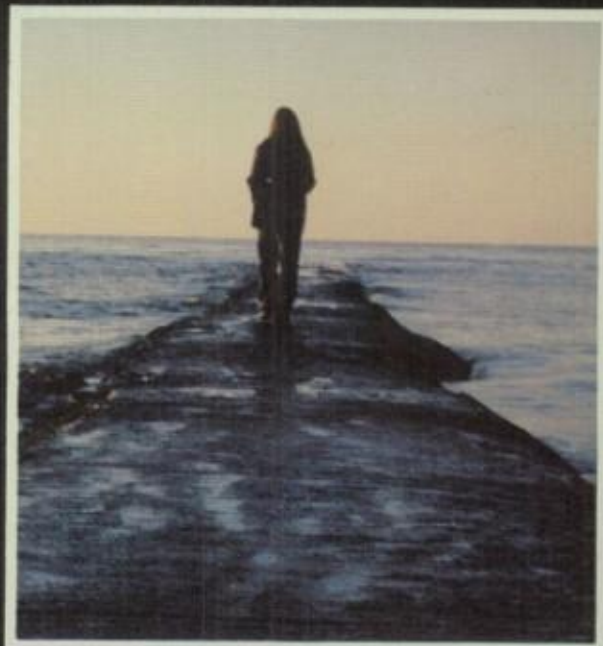

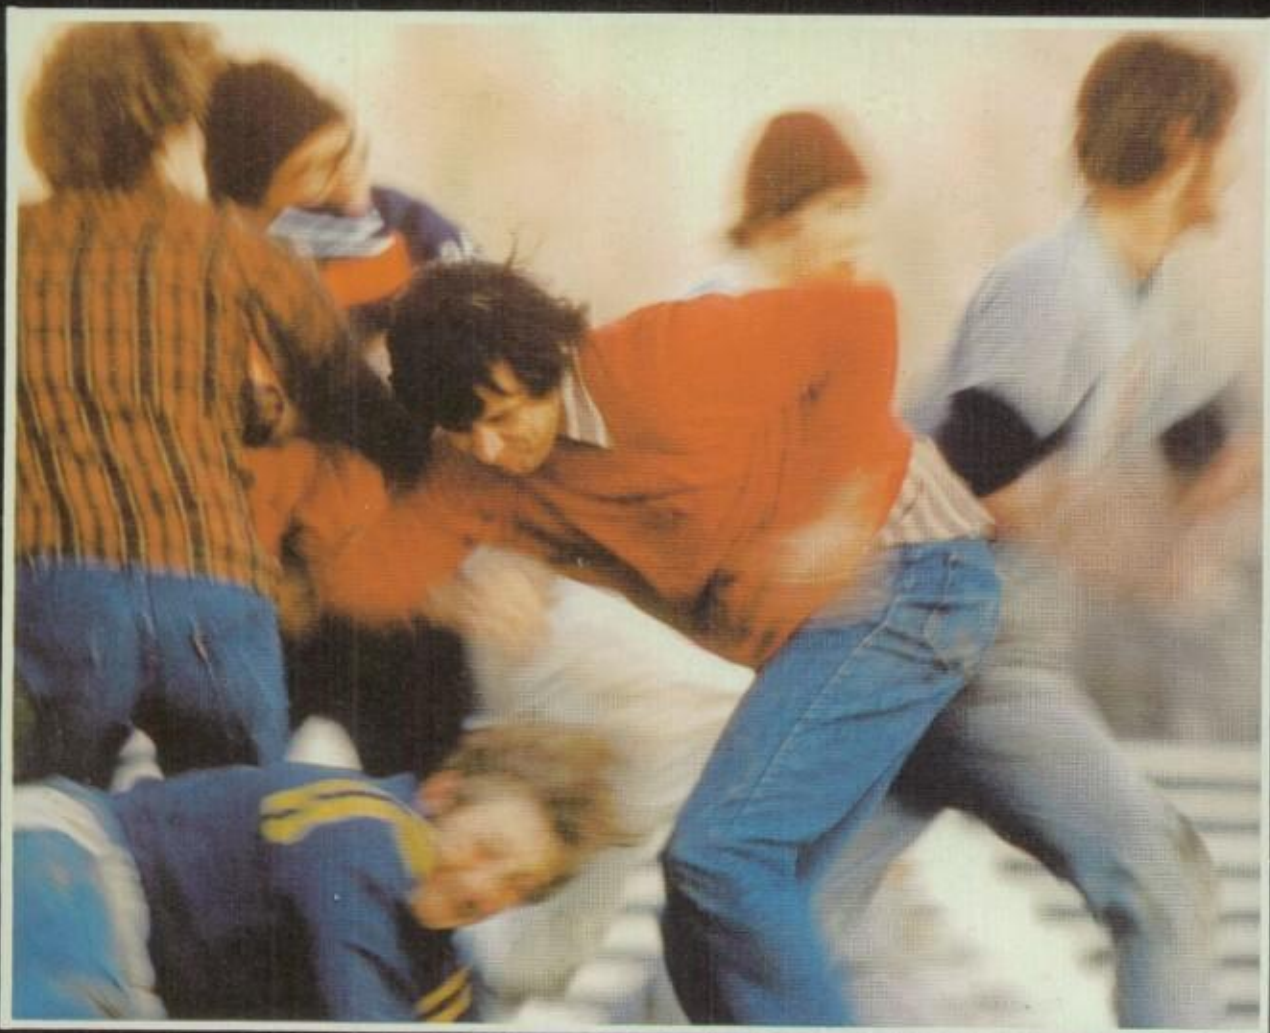

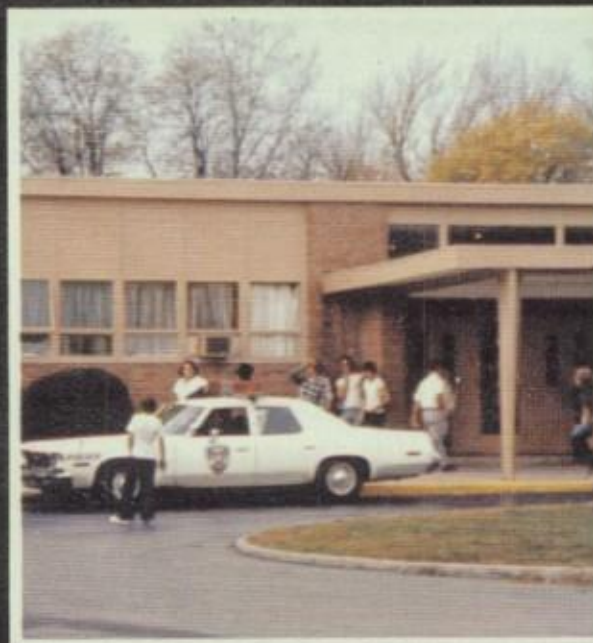

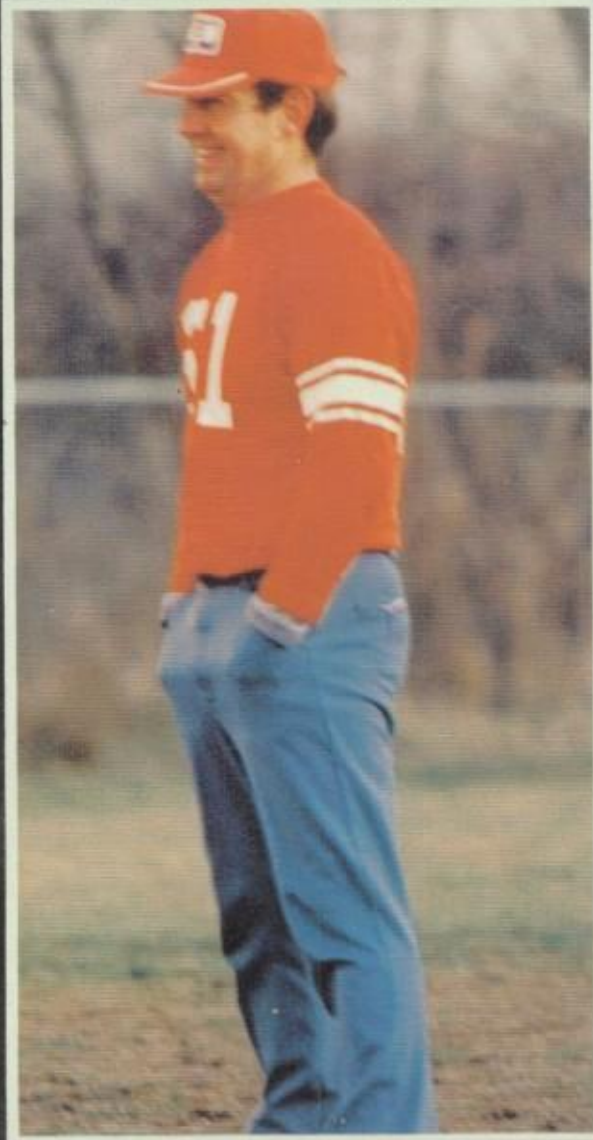

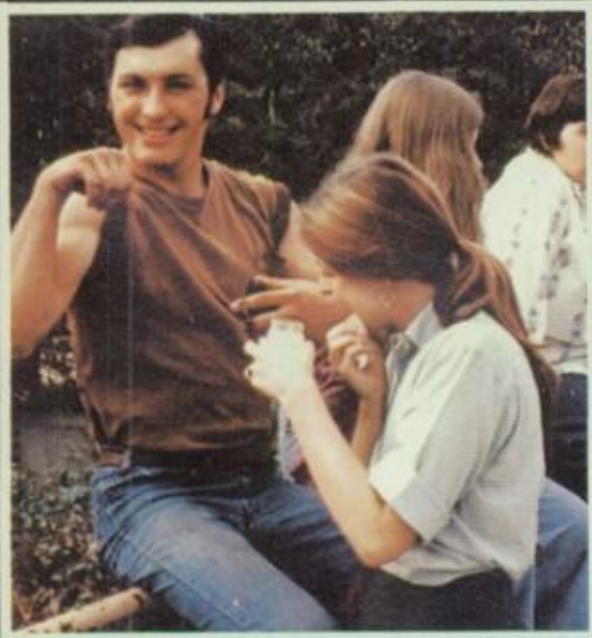

"Sometimes I feel like I should go
Far, far away and hide
'Cause I keep waitin' for my ship to come in
And all that ever comes is the tide."

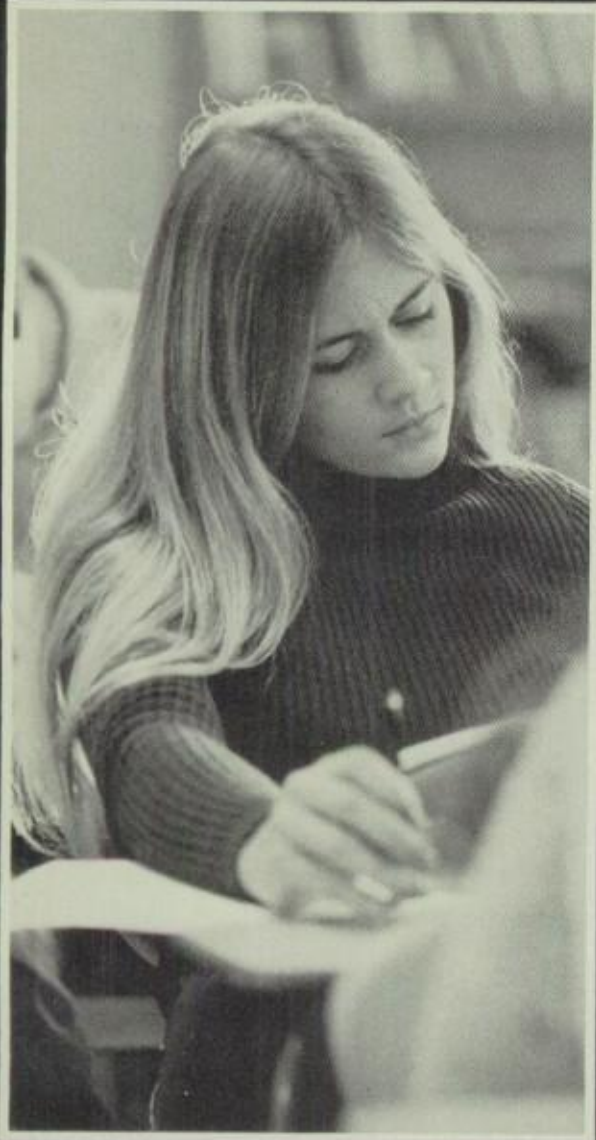

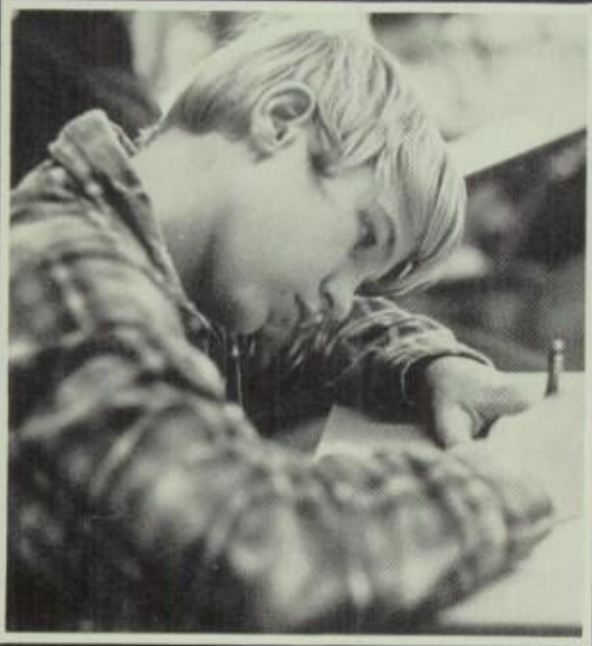

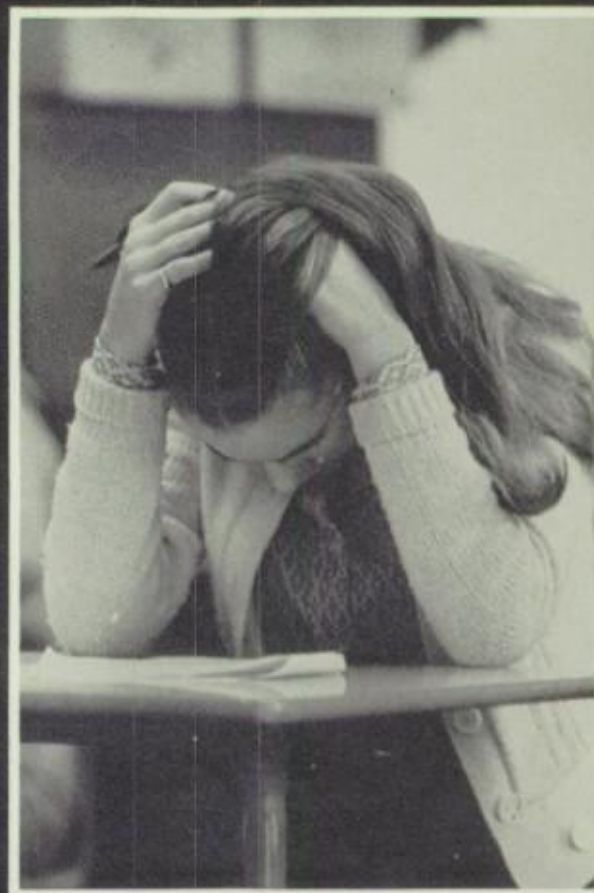

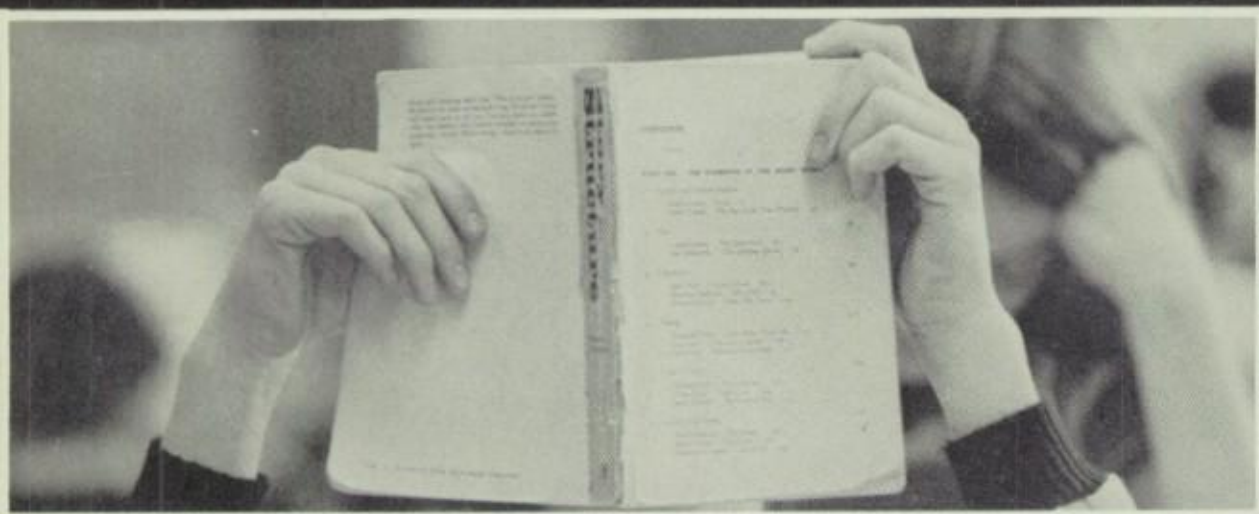

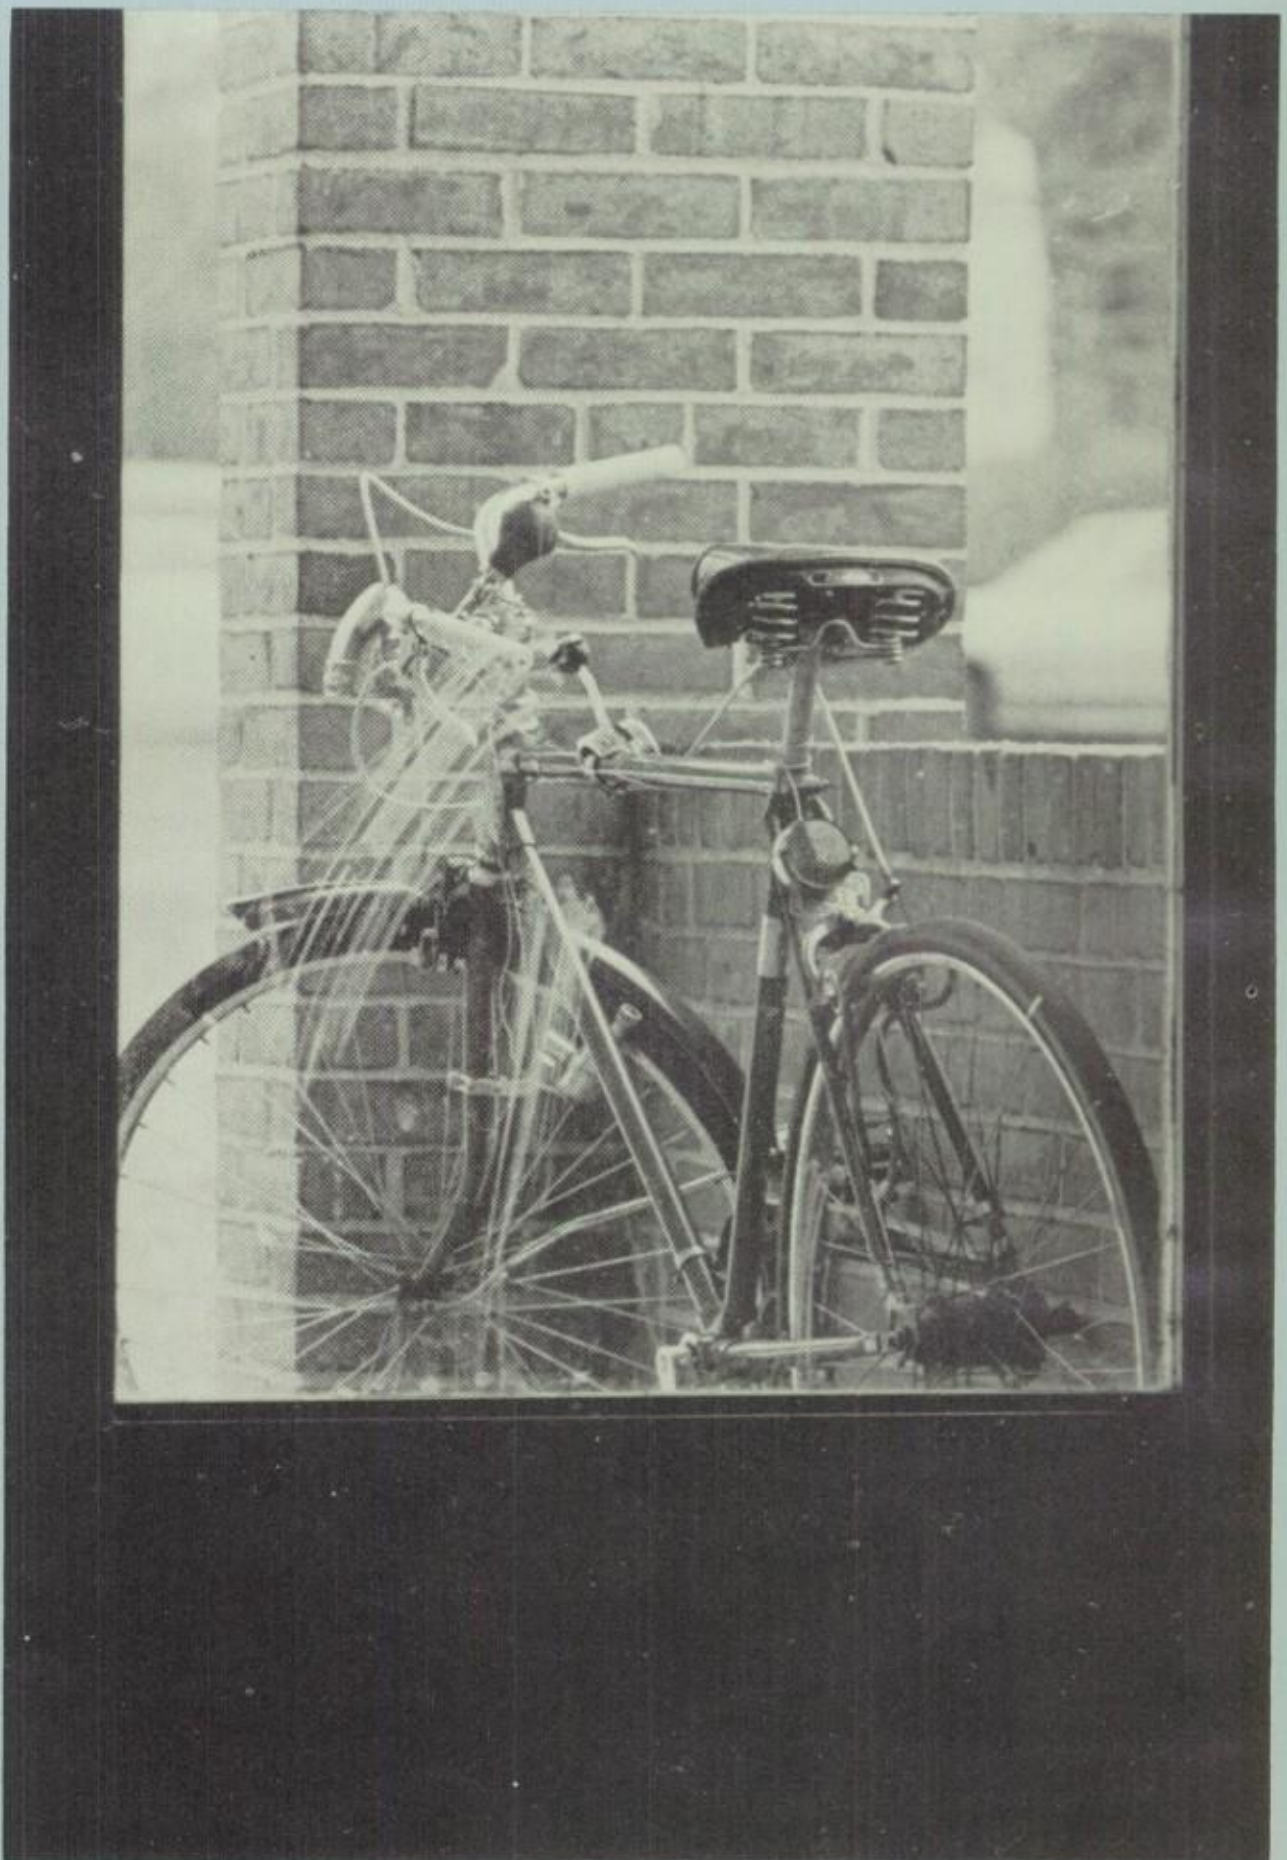

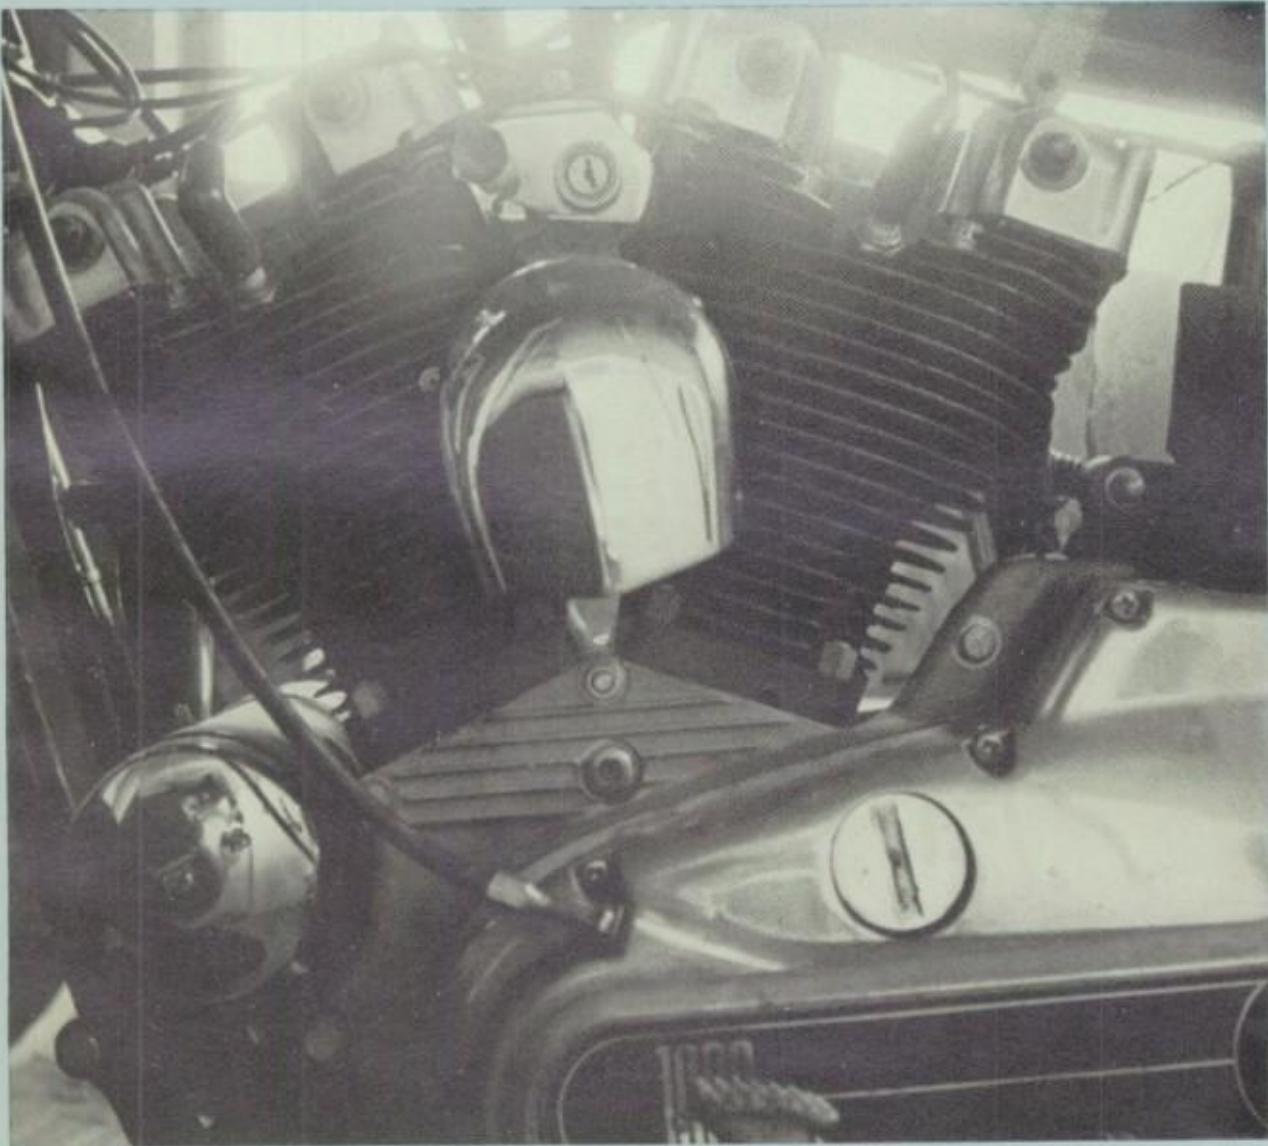

"They all said it was bound to happen
Just a matter of time
Now I have come to my decision
And it's one of the painful kind."

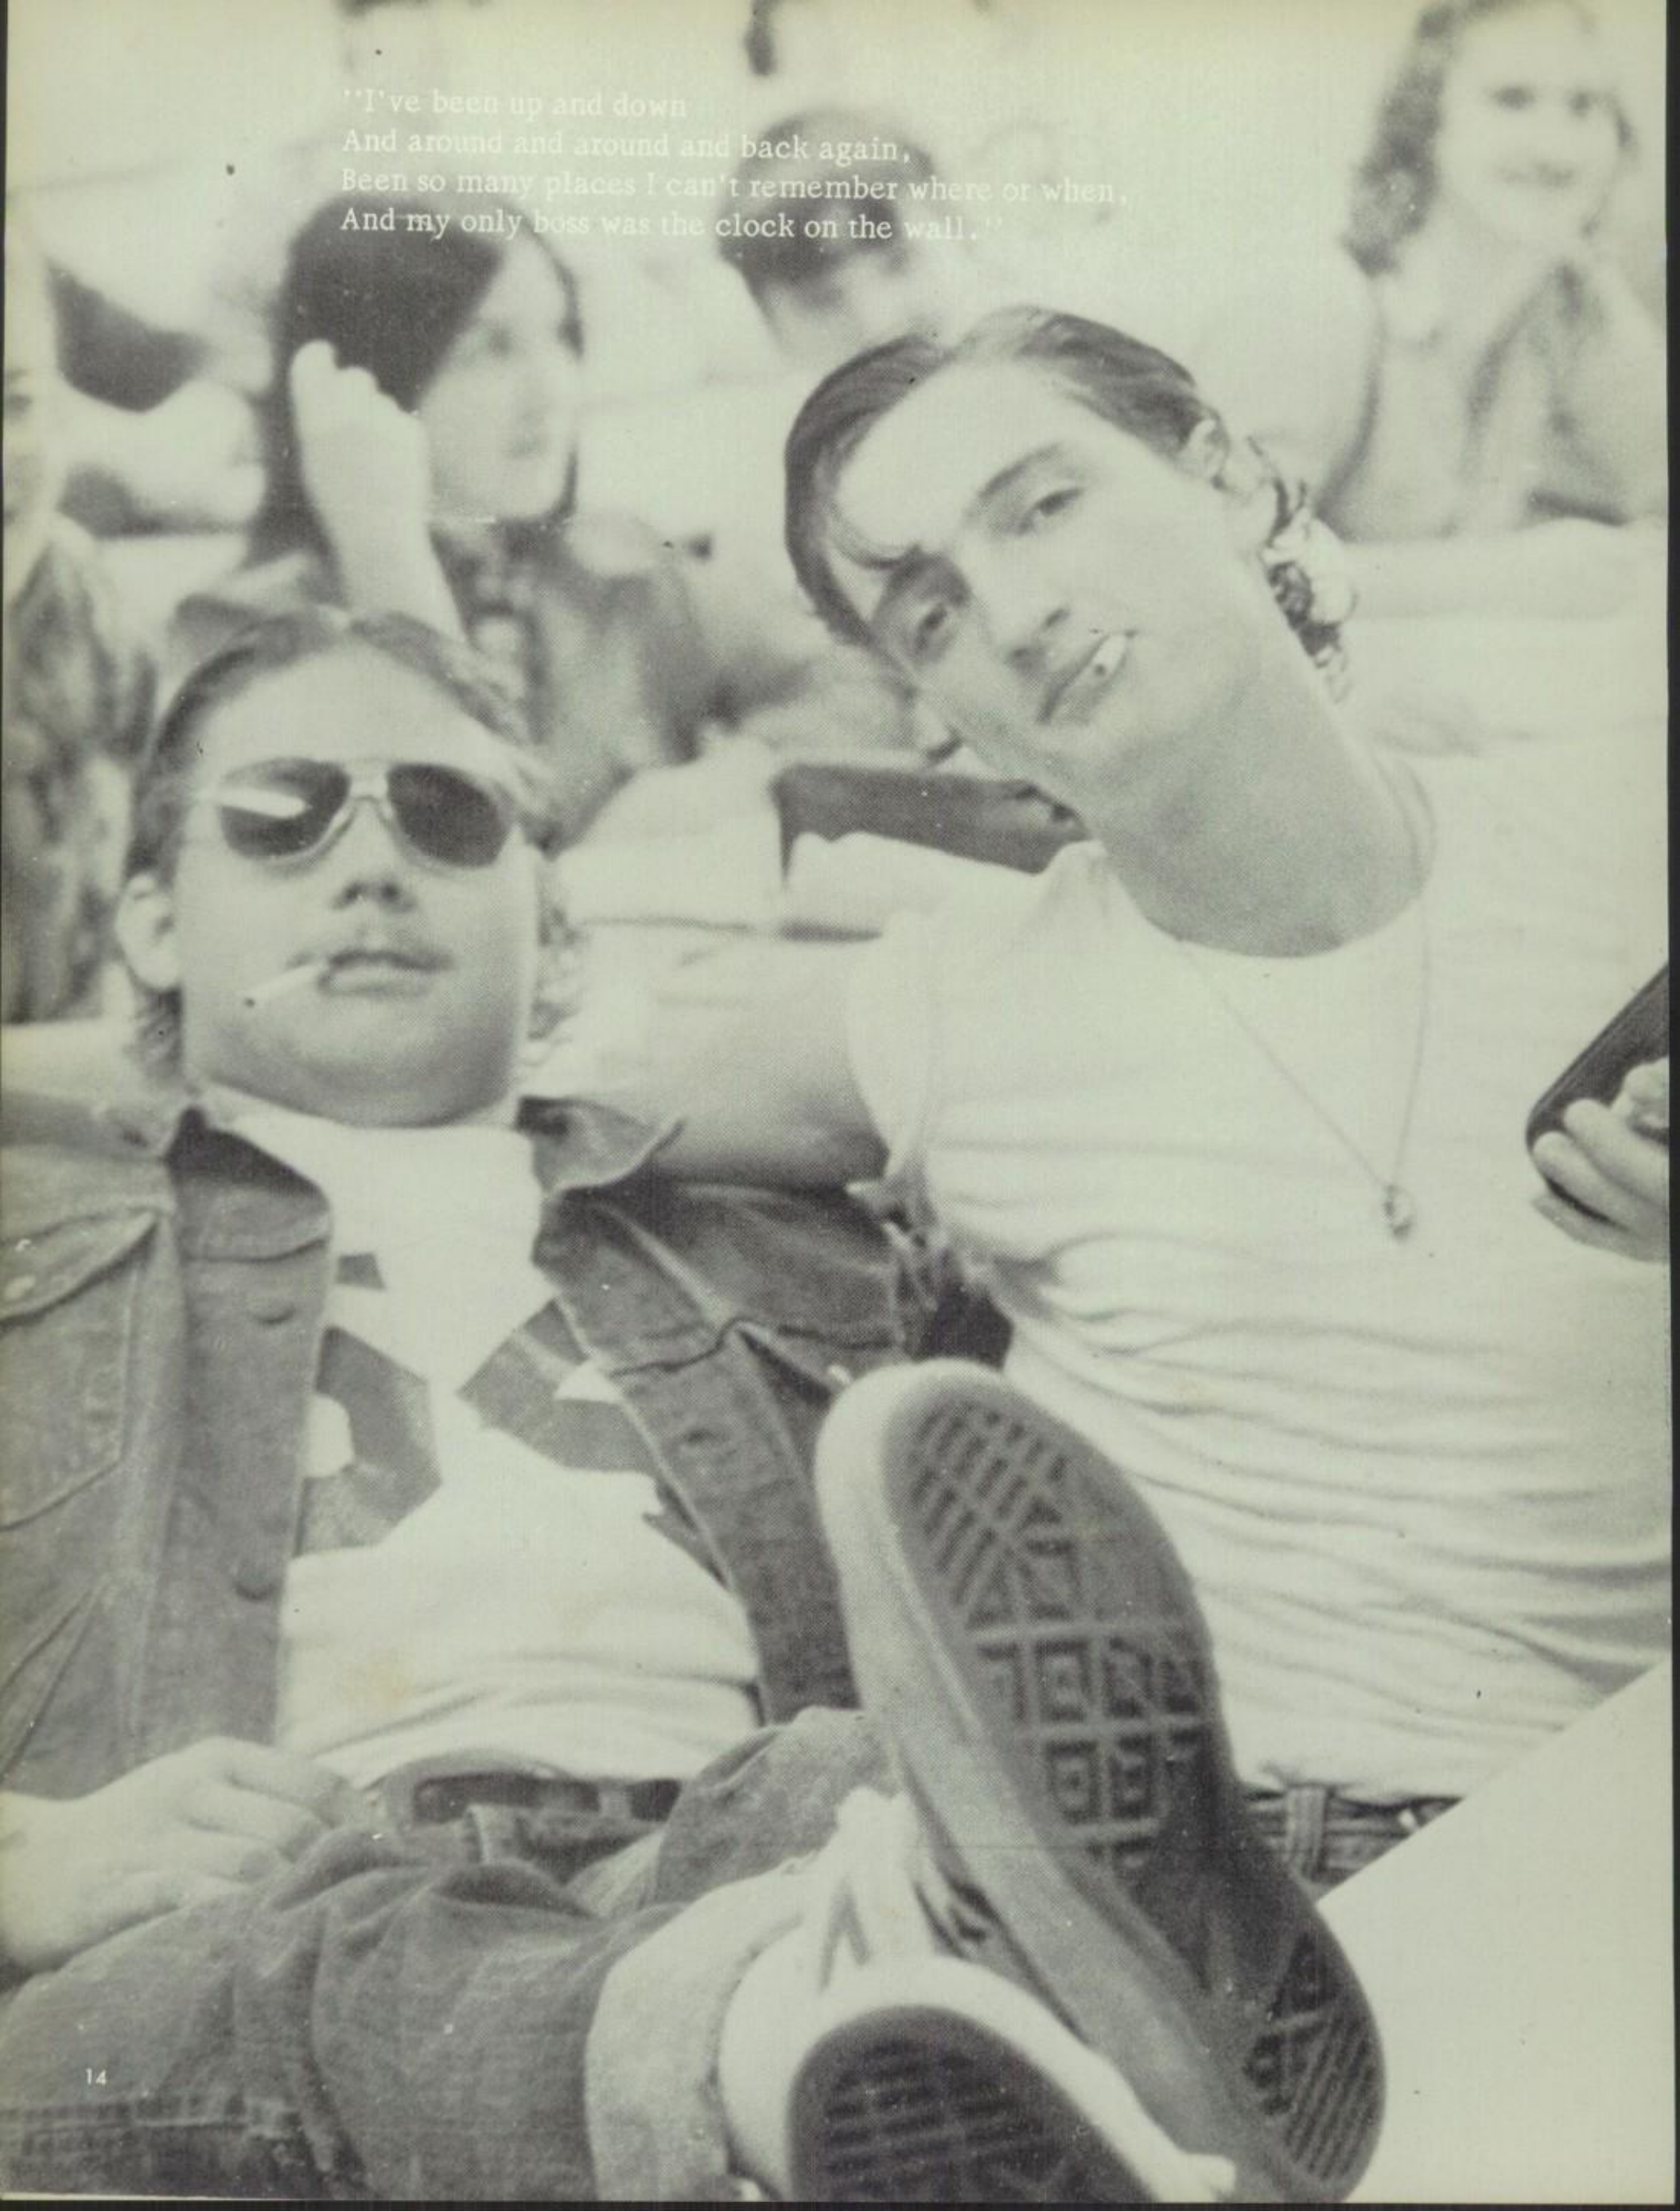

"Movin' me down the highway,
Rollin' me down the highway,
Movin' ahead so life won't pass me by."

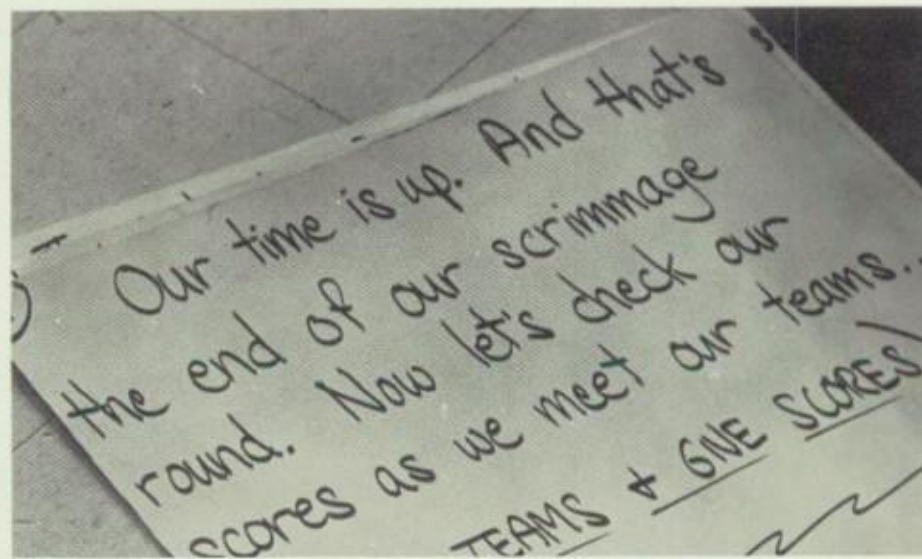

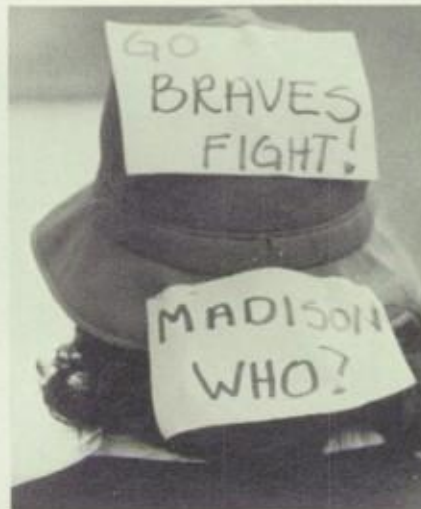

"I've been up and down
And around and around and back again,
Been so many places I can't remember where or when,
And my only boss was the clock on the wall."

EVENTS

Freshmen Awed by High School Life

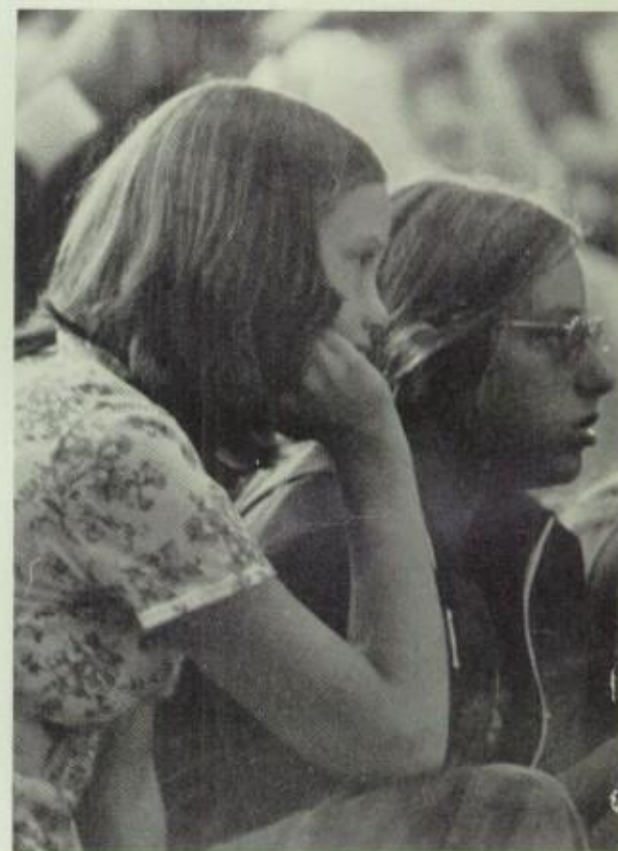

On August 29, over three hundred young, green students learned what was in store for them at Camp Talawanda. Receiving their tour of duty as they entered, the prospective freshmen filed into the snake pit - er, the gym, where they were read their rights by Vice Principal Imhulse. They then toured the grounds, just a week before their enlisting date, but were brought back to reality by refreshments in the gallery.

"It's Academic" Team Falls in Last Round

The Talawanda "It's Academic" team stomped all over Princeton, but fell short to Beechwood in the last three questions, 375 to 410 to 135. Dave Ward, Christine Griffing, and Marc Puckett represented Talawanda well, coming within one question of a perfect third round. Kenneth Smith was the alternate, and last year's captain Dave Menke did an outstanding job as coach of the team.

Homecoming, Las Vegas Style

Despite the football team's close defeat by Badin, the 1974 Homecoming Dance was the best in recent history. Gambling devices, such as the roulette wheel and crap table, and the Las Vegas nightclub atmosphere helped create a strong "Casino Royale" theme. Couples gambled all their money away at the casino in the gallery, then repaired to the cafeteria to enjoy the music of MAD STONE. At eleven o'clock, the festivities peaked when Monte Bryant and Patti Ciampa were pronounced King and Queen.

Clem Wins Big Deal: TRIUMVIRATE

"Clem", and his dog "Hawg", outguessed Uhl Gibbons for the big deal of the Yearbook Assembly, a 1975 TRIUMVIRATE.

The show, entitled "Have We Got A Deal," featured such contestants as Colonel Chicken, Tung Foo, and the Invisible Man. Host Harvey Schmidlapp chose Uhl Gibbons and Clem and his dog "Hawg" for the big deal. When Clem couldn't decide which door to choose, his dog "Hawg" barked out Door Number One and won the Big Deal, a 1975 TRIUMVIRATE.

Rose Murdock's Poem Sums Up Black History Week

Black History week is designed to acquaint a predominately white society with black achievements and culture. The week consisted of several announcements and posters depicting prominent black people and concluded with a Friday afternoon assembly. Emceed by Rose Murdock, the assembly featured several piano selections by Eddie Jordan and a speech by Dr. Marian Musgrave on Black Literature.

I dream a world where man
In every color will be a friend
Where love will bless the earth
And Paths of Peace will Adorn

I dream a world where all will know
the Freedom of a loving way
Where greed no longer saps the soul

I dream a world where Black or white
Whatever race you be;
Will share the Bounties of Earth as one
And every man is free
Where hatred will hang as a dead tree.
And joy, like a pearl attends
the needs of all mankind.
Of such a world -
Our world

Nada Minić: AFS Foreign Exchange Student

"The first thing I noticed when I moved to America is that Americans are very reserved. They don't like strangers invading their private little worlds." So says Nadezda Minić, American Field Service foreign exchange student from Yugoslavia. Born in Niksich, Nada has lived in Lima, Peru before coming to the U.S., and speaks Yugoslavian, Spanish, and English.

Nada, by contrast, is very easygoing, friendly, and active. She has been involved in the Wild Trig Class, Dramatics, and the Talawanda Oratorical Society. Commenting on AFS' world role, she said, "We are all working for world peace. I think AFS, in its small way, is helping promote world understanding, and I'm glad to be a part of it."

Talawanda Infected by School Spirit

For the first time in years, an epidemic of major proportions struck Talawanda High School. Introduced into the mainstream of Talawanda by the excellent basketball season, the spirit fever reached major proportions at the tournament games at Millett. Led by the "Red Rowdies," red shirts, hats, and handkerchiefs sprouted everywhere, proving Newton's law of motion: An object (students) at rest will remain at rest unless acted upon by an outside force.

Ford Replaces Nixon

On August 8, 1974, Richard M. Nixon resigned the presidency amid the worst political scandal in U.S. history. Prosecutor Leon Jaworski relentlessly pursued the infamous White House Tapes. Warren Burger, Supreme Court Chief Justice, wrote the decision ordering Nixon to release these tapes. The House Judiciary Committee, chaired by Peter Rodino, approved three articles of impeachment, after which Nixon resigned, making Gerald Ford the first non-elected U.S. president. Ford then appointed Nelson Rockefeller the first non-elected U.S. Vice-President.

Auto Crisis

The deepening economic recession was felt the most by the automotive industry. America began to cut down drastically on the number of new cars purchased, resulting in huge inventories of cars and long layoffs of employees. In desperation, the auto giants resorted to cash rebates to stimulate sales after a disastrous 1974, which eased the pain but did not cure the problem.

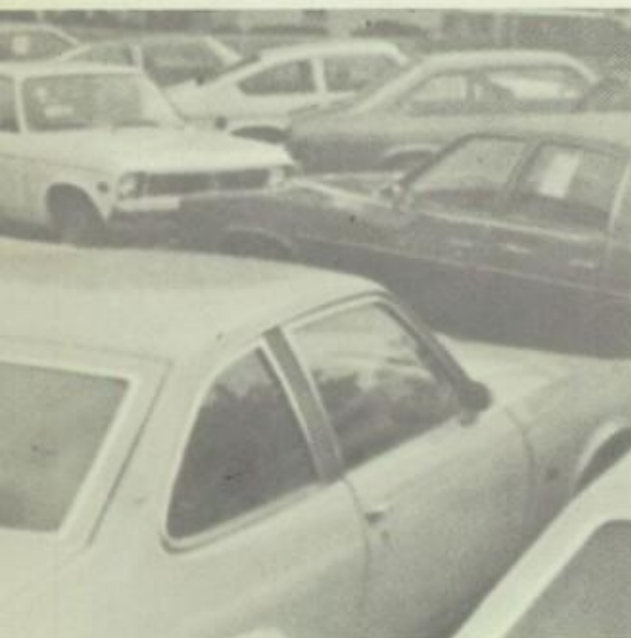

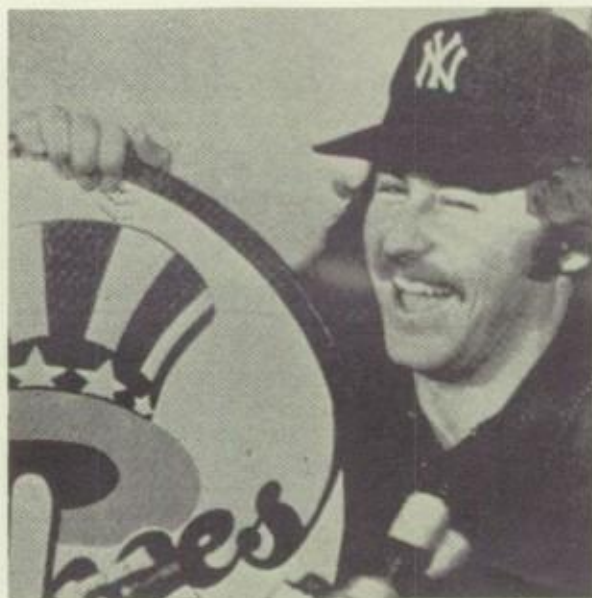

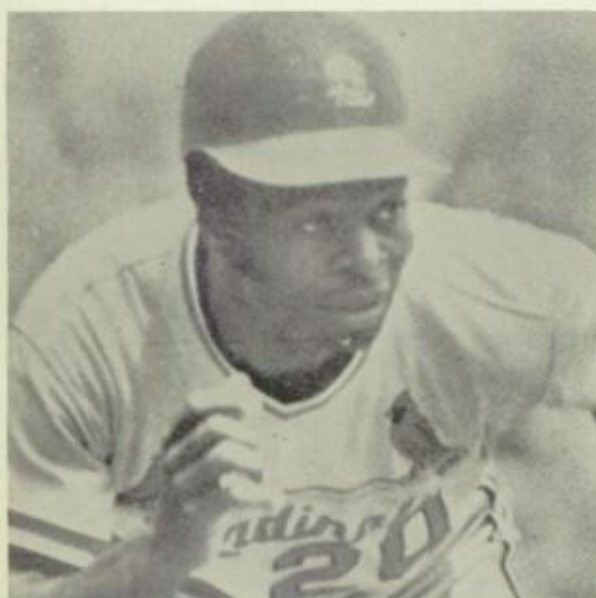

1974-75: Nixon Resigns, Ali Ascends; Unemployment Rises, Viet Nam War Ends

Ali KO's Foreman

Muhammad Ali became the second fighter in boxing history to regain the championship by knocking out George Foreman in the eighth round of the heavyweight championship fight in Kinshasa, Zaire. Ali, defeated by Joe Frazier five years earlier, conquered Ken Norton, Frazier, and the taunts of broadcaster Howard Cosell to reign supreme once again.

Records Shattered

Lou Brock and Catfish Hunter each set the baseball world on its ear in 1974. Brock shattered Maury Wills' stolen base record with an incredible total of 118 thefts. Hunter, 1974 Cy Young winner, was released from Charles Finley's contract at Oakland by an arbitration panel, and signed a \$3.7 million contract with the New York Yankees in an historic testing of baseball's controversial reserve clause.

Viet Nam War Ends

After thirty years, the longest war in American history - and the most controversial - came to an end with the fall of Saigon to the North Vietnamese. The U.S. salvaged some pride from what most Americans considered an immoral war by airlifting many Vietnamese refugees - including orphans - from South Vietnam just days before the Communist takeover.

Music Dominates Talent Show

Music filled the Talawanda Gym on April 11 courtesy of the Student Council. This year's rendition of the talent show included a pop bottle medley by Christine Griffing and company, and a selection of melodious strains from Mr. Buchholz' guitar.

Mr. McCollom gave a sneak preview of the musical play "Dames At Sea" complete with tap dancing and love ballads, while senior Bob Bystrom and freshman Carolyn Rouse demonstrated their versatility on the piano: Carolyn played a selection by Scott Joplin while Bob rendered a modern rock medley.

The highlight of the show was the final act, a special senior band: Sha Sha Na.

1975 Prom: All Night Affair

The 1975 Junior-Senior Prom created quite a splash. Decorated to the theme of "Sunken Treasure," the doors of the Heritage Room opened at 8:00 P.M. and stayed open until midnight.

At eleven o'clock, the climactic event arrived. Emcee Tom Morris announced the 1975 King and Queen:

Dude Lohrey and Ann Brosius. Christopher Paul and Katie Bowers presented the crowns to last year's King and Queen, Lyn Blake and Dave Morris, who crowned the happy couple.

The theme of the After-Prom, "Come Alive in '75," was designed to keep the participants awake until the wee hours of the morning, not concluding until past three A.M.

Graduates at Last!!

For the Class of '75, June 3rd was a big day. The four-year goal of graduation from Talawanda came true at 8 P.M. Tuesday night at Millett Assembly Hall.

The traditionally solemn ceremony was highlighted by three original music compositions written and conducted by Joe Hickey, Bob McFadden, and Dave Spohn.

Following several speeches by members of the Board and of the class, Ass't Principal Stan Imhulse awarded the diplomas, triggering joyous whoops and a few tears from the graduates over the end of the last four years.

Member of the Wedding — Season Premiere

The Talawanda Drama Dept. opened the theatre season with their traditional serious play. This year Carson McCuller's MEMBER OF THE WEDDING was the premiere. The cast was headed by Phyllis Hollis (Bernice), Debbie Woods (Frankie), and Jason Weller (John Henry), and all three were excellent. Their characterizations were expertly done, a credit to them and to the direction of Burt McCollom. Gary Hollis added greatly to the

play's dimension with his portrayal of Honey Camden Brown. Also included in the large cast were Brian Dolibois, Catherine Rowley, Robert McFadden, Kate Utter, Molly Strippel, Becky Wilson, Necie Watson, and Dave Weisenbarger. Their understanding of the roles added to the overall effect.

Also deserving of mention was the cut-away set designed by Debbie Woods and built by the cast, that depicted a spacious kitchen and exterior portion of a large Southern home.

The Children's Play: The Invention

The children's play THE INVENTION, is about three fun merchants who assemble a machine which will bring happiness to all children by making toys. Kalibad, a toy spy, attempts to destroy the invention, only to cause much turmoil. Kalibad is finally captured in a peppermint prison, where he is processed through the machine, coming out a good toy instead of a bad boy. The cast included Jason Weller as

Joyo the narrator; David Weisenbarger as Kalibad, the evil toy spy; Beth Kinder as Phisia the scientist; Becky Wilson as Hopey, the designer of the invention; Nancy Rothermel as Mechani, the scatterbrained mechanic; and Todd Douglass, Molly Strippel, Dave Nelson, Phyllis Hollis, Toni Moore, and Lynn Black as The Revelers. THE INVENTION was directed by Burt McCollom.

Dames at Sea Is Spring Musical

The THS Drama Department's musical finale was "Dames at Sea." The story revolves around Ruby (Tina Wiedenheft) and her attempt to find stardom. She meets songwriter/sailor Dick (Brian Dolibois) on Broadway who helps her get a part in the play. Meanwhile, their close companions Lucky (Dave Spohn) and Joan (Suzie Whelpton) have rediscovered the "fruits" of love.

Ruby's arch-enemy, Mona Kent (Debbi Woods), plots to remove her

from the show much to the dismay of the stage manager Hennessey (Wilson Grabill). When the theatre is closed down all seems lost until Dick and Lucky volunteer their ship. With the aid of the Captain (Bob McFadden) the show and Ruby are successes. "Dames" received great reviews from the Oxford Press. Best Acting awards went to Dave Spohn and Debbi Woods. "Dames at Sea" was an excellent finale to interesting theatre year.

Choir Earns Excellent Ratings at State

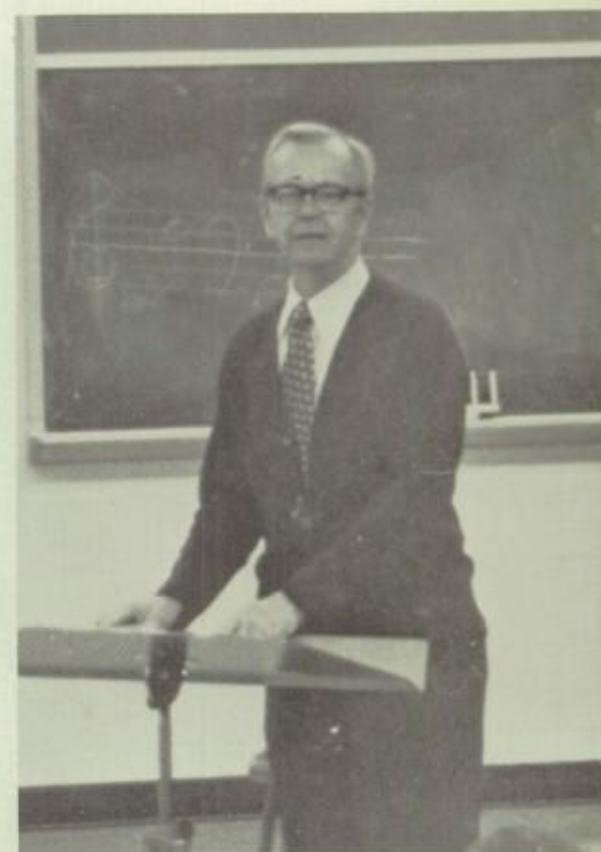

The 1974-75 Talawanda Choir, although small in number, was big in enthusiasm, desire, and determination. With 31 girls and only 11 guys, the choir was lacking a bit in quantity, but not at all in quality. Spring brought much excitement and hard work with two contests and numerous concerts. At District Contest, the choir was elated to be the recipient of a I rating, making them eligible for state contest in Columbus.

Again they met with success, upholding the THS standard of performance, bringing home an excellent II rating.

A special thanks goes to Mr. Moore, the director, and Mrs. Karen DeRight, accompanist, without whom the choir would not have had such a great year, both in musical expression and fun.

Chorus

What y'all want with lil' ole me?

That's it! I'm leaving!!

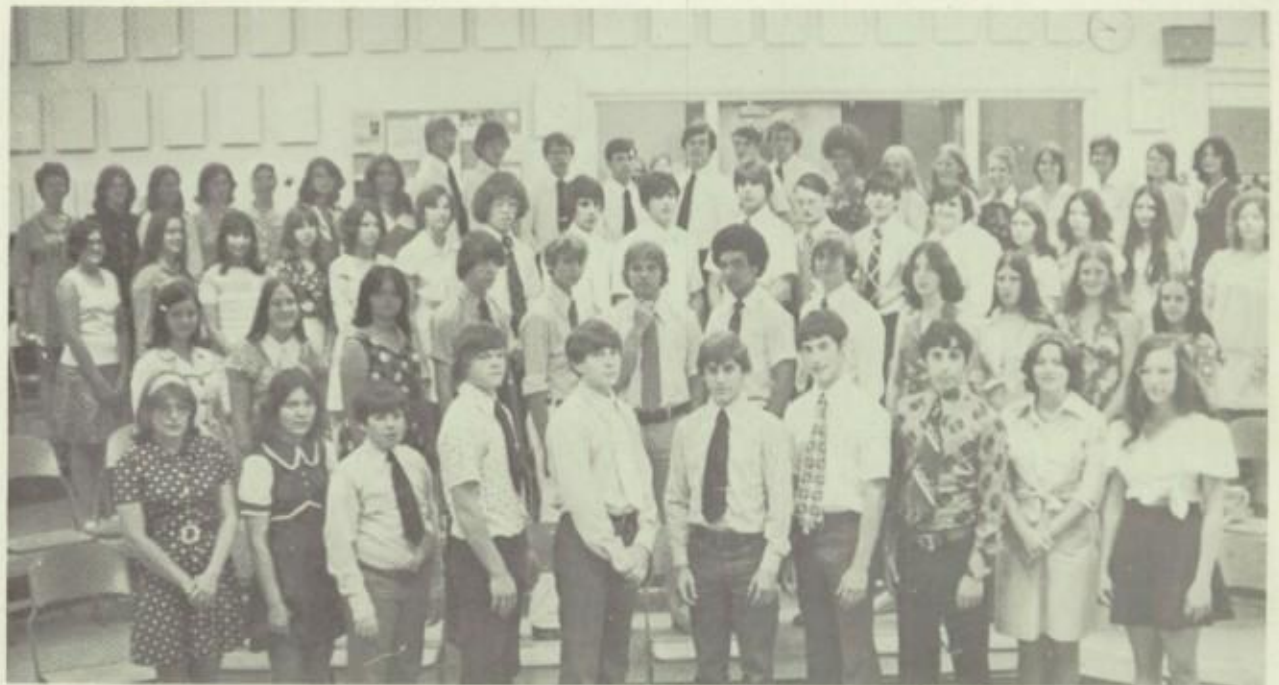

Another roach?

A solo? ME?!

The Talawanda chorus, consisting of talented freshmen and sophomores, works hard everyday to make the THS chorus stand out above all others in the vocal department.

This year they performed at the Kiwanis Club, Talawanda's choral programs, and neighboring schools. Director Robert Moore does his best to enrich the art of choral music in his students, as they prepare for a future career in the fantastic THS choir.

Members of the chorus include: 1st row: S. Goldflies, P. Carmack, J. Sturgiss, T. Vaughn, G. Sayers, T. Wilson, S. Pratt, J. Hill, C. Blake, J. Mattox. 2nd row: T. Rose, K. Hedrick, M. Howard, K. . . . And the Band Played On

After surviving a week of learning music and marching techniques at Camp America, the THS Marching Band presented audiences with performances of unmatched excellence throughout the year. The band members added greatly to Talawanda's spirit and pride, and for that devotion, a day was set aside for band appreciation.

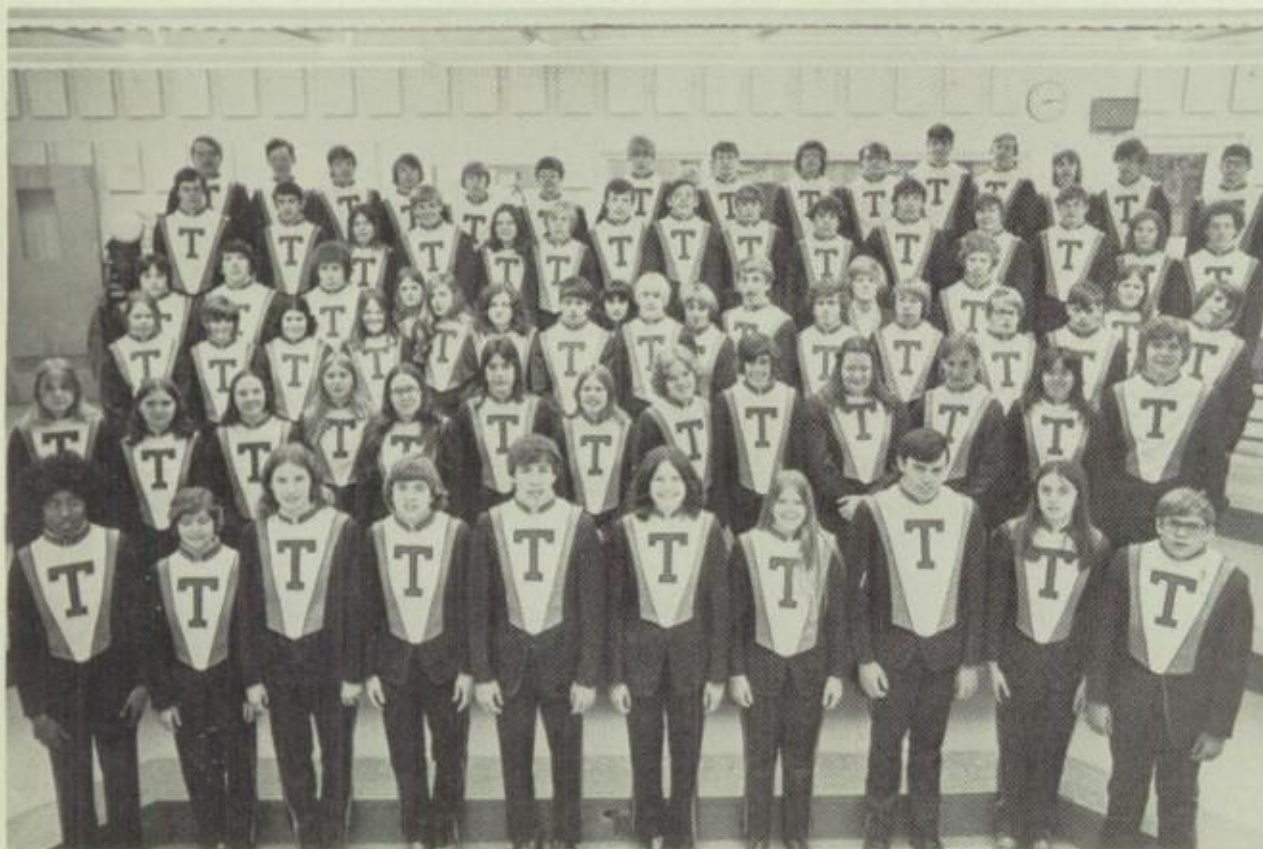

The Braves Band was active in the Dayton and Middletown band festivals, the Lebanon Honey Festival, and the Eaton Pork Festival where the band received its first trophy in fifteen years. Members of both the marching and concert bands were seen throughout the year as a pep band at assemblies and basketball games, and the concert band was seen in the annual spring concert in May.

Interest in Drill Team Grows

"Hurry up, these flags are getting heavy!"

Junior Co-Captain Diane Sherwin

Senior Co-Captain Diane Ward

The Drill Team, under the direction of Mrs. Fran Jackson, started its season with a brilliant flag routine to the tune of "Grandioso."

The routines were devised by Mrs. Jackson and Co-Captains Diane Ward and Diane Sherwin. They were taught to the members on Monday, rehearsed throughout the week, and were ready for the game on Friday night.

When Co-Captain Diane Sherwin was asked how she felt about the Drill Team, she said, "I like it a lot. All the girls liked it, and we had a better turn-out for try-outs this year."

Stage Band Kept Busy

This year the Talawanda Stage Band played in front of large crowds at ten performances. Directed by Mr. Nate Thomas, the Stage Band has aroused considerable interest in this part of Ohio. Only two years old, they have played in front of the Butler County Board of Education, the Talawanda Education Association and other noteworthy groups. The Stage Band earned a record amount of money this year through performances at a Valentine's Dance, twice in front of the school and at the Oxford Country Club. Seniors instrumental in the success included E. Kimble, M. Johnson, J. Hickey, D. Spohn, B. McFadden, M. Johnston, B. Bystrom and A. Teetzel.

This year's orchestra was a good representation of Talawanda High School. They performed two formal concerts, participated in Music Appreciation Week, and went to several grade schools in the district.

Many string and wind players participated in a number of contests in the area. Especially active was La Quartet, with Wendy Morner, Margaret Shawver, Diane Sherwin, and Janie Riegel.

The orchestra also participated in a candy project sponsored by the Keynote Club, earning money to buy new formal uniforms.

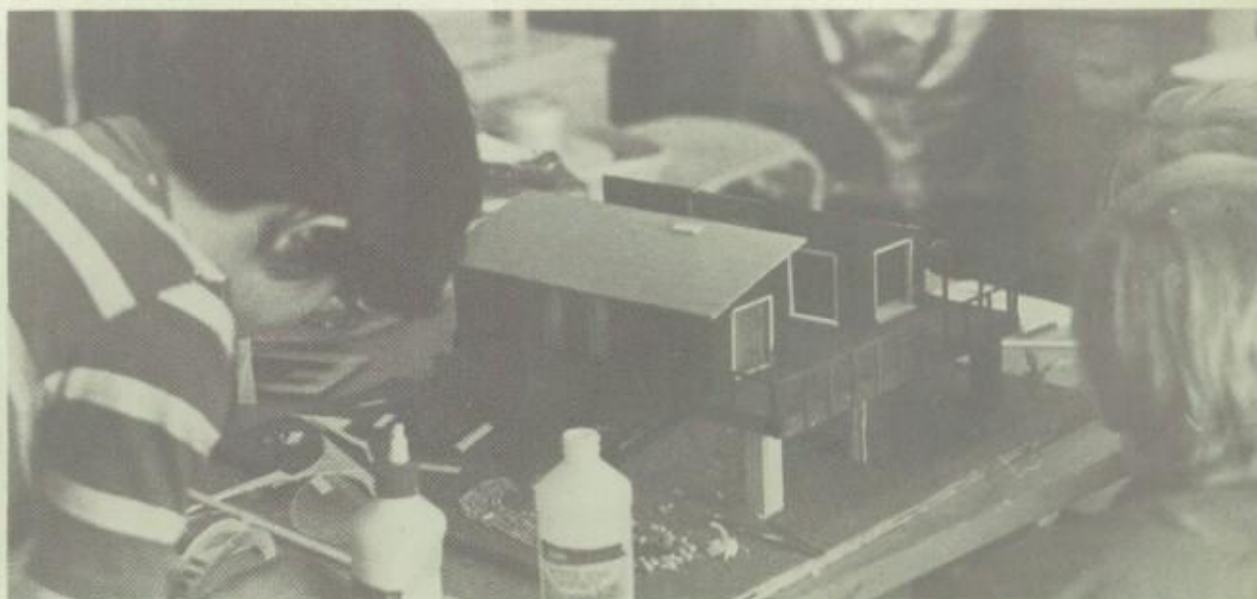

Members of the orchestra include: L. section: W. Morner, D. Sherwin, S. Goldflies, L. Weber, K. Gregg, C. Senger, L. Melis, J. Hogg, M. Puff, E. Dunkin, J. McKenzie, J. Gahrís, S. Hamm, K. Vaughn, K. Cross Country Ties Winning Record With 12

Under the outstanding leadership of Joe Loomis, the Talawanda Cross Country Team finished a good but disappointing second in the M.M.L. It was only the second time in the last nine years the Braves have not won the M.M.L. crown. Leading the varsity team were co-captains Joe Hickey and Tim Jasper. Other seniors were Jim Clawson, Steve Lewallen and Jeff Jones. Varsity sophomores were Chris Schuette and Dave Mackey. Hickey and Clawson were named to the M.M.L. team. Jim was also most valuable runner of the team, quite an accomplishment since this was his first year. Dave Mackey was the recipient of the most improved award. Despite the heavy loss of five seniors the team has Schuette, Mackey, and individual reserve champ freshman, Tom Wilson, along with the top M.M.L. reserve championship team returning next fall.

The "Polecat" (shotgun) offense, a formation in which the center is eligible, was one of the bright moments in an otherwise disappointing season. With 3 returning starters, Alan Baker, Greg Logsdon, and Greg Sullivan, the Talawanda Varsity Football team finished with a 2-7-1 mark. The team was headed by co-captains Dude Lohrey and Greg Sullivan, who were both selected first team All MML. Honorable mentions went to seniors Alan Baker, Mark Johnston, Dan Abrams, Steve Richardson, Ken Smith and junior John Mills. Mills was also Most Efficient Lineman with a new school record of 80%. Dan Abrams set a new school record having 138 tackles, topping the old mark of 133. Individual awards went to Dude Lohrey, Most Valuable Lineman; Steve Richardson, Most Improved Player; and Greg Sullivan, who was named Most Valuable Back, selected to the DAYTON HERALD JOURNAL ALL-STAR TEAM, All Golden Triangle Team, All Southwestern District Team, and A.P. Varsity Cheerleaders Take 4 Superior Ratings at Camp

School started early for the cheerleaders. The Varsity and Reserve squads attended summer camp at Tennessee Tech University and came away with six superior, one excellent, and one outstanding ribbon. They were awarded the coveted Spirit Stick twice out of four days' competition. The wrestling cheerleaders won ribbons at

Eastern Kentucky University.

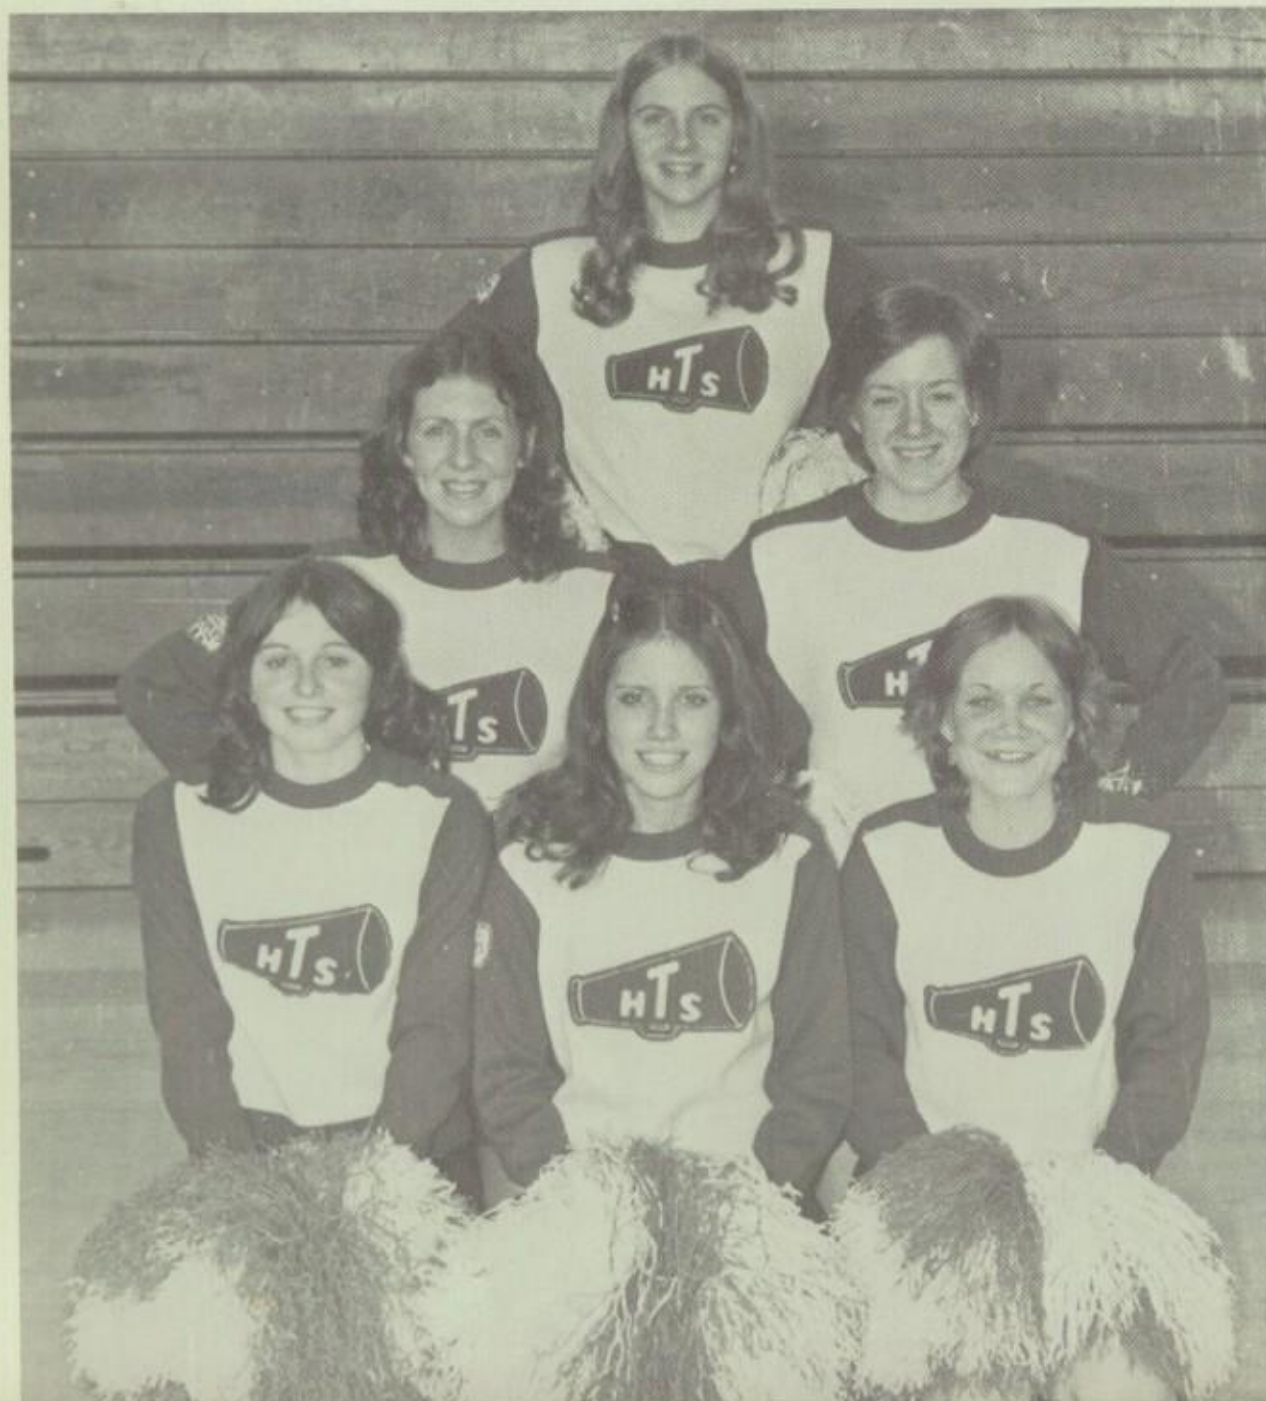

Cheerleading involves more than jumping and yelling. This year the cheerleaders bought the basketball team carnations, the football team candy, and the wrestlers fruit. Every week the locker room was decorated with signs, posters and bubblegum. In

return, the Varsity cheerleaders received much needed new uniforms from the Boosters Club. Guiding them all year was advisor Barbara Goldstein.

Reserves Compile Brilliant 8-2 Record

The Volleyball Team, under the new coach, Sue Bhanos, greatly improved over last year's disappointing season. Even though the Varsity team finished with a below par total of 4-6, many matches went the full three games, and could have gone either way. Ann Brosius was voted MVP for varsity by her teammates. She was also voted Most Valuable Senior.

Honors were also given to Sue Ingersoll, who was voted MVP for the reserves. The Reserves finished with a fine seasonal mark of 8-2. Their secret seemed to be excellent teamwork and a strong bench. With a season like this, next year looks very promising for both Varsity and Reserve.

“Best Season Ever” for Swim Team

In spite of their 3-7 dual meet record, faculty advisor Bernie Rowell said the 1974-75 swim team under Coach Bill Dorsch stroked to its best season ever. Why? Talawanda placed more swimmers than ever in the sectional and district meets and broke every school record. Senior Kirby

Leuchauer named Outstanding Swimmer, broke 9 records, 7 on his own and 2 as a member of a relay team. Leuchauer qualified for the district meet in the 50 and 100 yard freestyle, but he failed to qualify for the state meet. Joining Leuchauer in the districts were sophomore Bruce Hautau in the breaststroke and the medley relay team of Todd Scholl, Brian Stegman, Hautau and Leuchauer.

Girls Have Record-Breaking Season

The girls' swim team had their usual fine season, compiling a 5-4 dual meet record, capping the season with a 3rd place performance in the Greater Cincinnati District meet. Sue Sayers and Sharon D'Alessandro coached the team to new school records in every event except the breaststroke. Leading the record barrage, Missy Phillips broke six records. Among the other top swimmers were Seniors Carla Flannery, Mary Ellen Dodd, Kelye Balsinger, Juniors Jeni Bridgeman and Linda Melis, and Sophomores Susie Luechauer and Sara Stacy. Carla Flannery scored the most points and Carolyn Cramer was the Most Improved Swimmer. Jeni Bridgeman was Highest Scoring Diver, and Maggie Garofalo was Most Improved Diver.

Under rookie coach Tom Paul, the Braves not only finished with a perfect league mark of 7-0, but also racked up 17 wins versus only 5 losses for the best season in THS history. Coach Paul was named MML Coach of the Year. Talawanda defeated 2nd seeded Hamilton Taft for the Sectional Championship and then advanced to the finals of the AAA District Tournament, farthest in the school's history, before bowing to the #1 Middletown Middies. At the annual banquet, awards went to Brian Brady, Most Valuable and Most Improved Player; Bill Logsdon, Highest Field Goal Percentage; Charlie "Shank" Young, Most Rebounds; and Tom Brady, Highest Free Throw Percentage. Senior awards went to Greg Sullivan, Ken Smith, Jim Franks, Danny Purcell, Tim Jasper, and Jon Bohn, who also set a new school scoring record of 41 pts. Brian Brady, Bohn and Young were named to the All MML Team. The 3 seniors and junior Bill Logsdon were named to the All Golden Triangle Team. Juniors Jeff Dahoda and Dave Winkler helped spark the team on to its best season ever.

Young Chiefs Show Promise for the Future

Graduating only four seniors, the Chiefs will return next year with virtually the same strong team, barring injuries. This year the reserves were undefeated in dual match competition and the varsity suffered two losses, one to the Mid-Miami Champion Lebanon Warriors, and one to the Madison Mohawks. The Most Valuable Wrestler award went to MML Champion Jim Reid. Jim, a junior, also won first place at the Middletown Invitational Tournament and fourth at the Oxford AAA Sectionals. Also winning top honors at Middletown in the 105 pound weight class was senior Jim Fontaine. Other seniors were Don Bown, Rocky Foust, and Calvin Rogers. Rocky received "Most Improved Wrestler" honors and Calvin accepted a special leadership award.

Braves Finish a Close Second in MML

The Talawanda Varsity Baseball Team finished with a fine 16-11 overall record; 9-5 in the MML, second in the league. All season the Braves fought a neck-and-neck race for the league title with Madison. The battle continued right until the last game of the season, when the Braves fell to the Lakota T-Birds, giving the MML championship to the Mohawks. The team was led by seniors Greg Sullivan and Alan Baker who were voted most Valuable Players and were elected to first team all MML. Other Seniors were Perry Thacker, who received Most Valuable Pitcher and made 2nd team all MML; Best Defensive Player, Dude Lohrey, who, along with Danny Purcell, made Honorable Mention all MML.

Golf Team Captures MML Title

After winning their first 12 matches of the season, which included a victory over state finalist Badin at their home course, the 1974 THS golf team finished with an excellent 19-3 record. A 12-2 league record put them into the top spot, but not without certain hazards. While playing Madison, an enemy duffer missed a short putt and in a momentary rage swung his club, let it go, and hit Roger Berry in the arm, the club breaking into two pieces.

Team members honored for their superlative play during the season were Mitch Allenspach, who made both 1st team Butler Co. and 1st team MML; Jim Tennent, 2nd team Butler Co. and 3rd team MML; and Mark Allenspach, Honorable Mention Butler Co. With the trio of Allenspachs returning, and with Tennent and Berry's superlative skills, barring more unforeseen Madison attacks, next season should be even better.

F.H.A. Has a Good Year!

As an integral part of the homemaking program, FHA provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking. The theme of the Talawanda Chapter this year was "Reach Out and Touch - Politics, Careers, International Relations." Activities have included campaigning for the school tax levy, In-as-Much-Tree Christmas Program, Careers in Home Economics Speakers panel, faculty breakfast, Values Clarification: Youth vs. Adults panel, yoga demonstration, and a Family Awards Banquet.

Utter Excitement First Period

Contrary to popular belief, there does exist at Talawanda High School an organization with some semblance of dignity. The Talawanda Oratorical Society, created as a result of a

motion by David Ping, convenes each and every morning at 7:45, for one hour. In this brief period of time, the Talawanda Oratorical Society has involved itself in parliamentary procedure, extemporaneous speaking, debating, oral interpretation, and trial procedure.

Notwithstanding attacks on its credibility, the Talawanda Oratorical Society has persevered, under the leadership, guidance, and direction of Mrs. Dixie Utter.

Math was more than a learning experience for the third period Wild Trig Class. It was a zoo. Roger Berry's antics as an ambidextrous guitar player typified the class. Spurred on by the area-wide publicity generated by Dave Ward on "It's Academic," everyone in the class caught the fever. On April Fools's Day the class waited in the guidance office and announced over the loudspeaker "Bus 3.14 has just arrived; please admit students to class." The class could never have been so much fun without the lenient guidance of Mr. de Saint-Rat.

Student Council Takes Action

Under the leadership of president Mary Ellen Dodd, and vice-president Jeni Bridgeman, the Student Council had a very successful year. They approved a policy by which seniors with an "A" average would be excused from final exams, opened the bookstore before school, started evaluation of teachers, improved study halls, provided films after school for everyone and sponsored a coat check at basketball games to raise money. As usual the traditional talent show was a big success.

National Honor Society Survives Another Year

The National Honor Society, despite the determined efforts of some of its members, was very active this year. Honor Society efforts included a "Singing Valentine" service, complete with sample songs over the public address; an ill-fated Great Gatsby Dance; and, of course, the traditional Honor Society picnic at Hueston Woods, where everyone took a swim whether they liked it or not.

This year's officers were Ed Samuelson (Pres.), Jenny Fryman (V. Pres.), and Christine Griffing (Sec.-Treas.), and many thanks go to several Juniors who worked hard all year to keep NHS active.

Distributive Education

Distributive Education is a nationwide program that gives students the opportunity to see the business world in operation and to know at first hand the qualities necessary for a satisfactory experience in the work-a-day world.

Under Mr. Watson's direction the D.E. students learned the fields of marketing and distribution through classroom activities and outside jobs.

Pep Club Stirs Up Spirit

Liberation has finally made a complete breakthrough at Talawanda. The Pep Club has finally persuaded males to be members. Spurred on by their new liberal members, Pep Club sponsored chartered buses to away football and basketball games and sold pennants and shakers. With the male species now available to generate great enthusiasm and ideas, the future potential of Pep Club lies directly in front of them.

Thespian Initiation a Hit at THS

After remaining fairly dormant for most of the year, the Talawanda Thespian Troupe arose and transformed the final weeks of school into fairly interesting ones for the remainder of the student body. They accomplished this by initiating the new members into the troupe through displays of their acting abilities. The Thespians also viewed plays together.

Keep the Faith

"Keep the Faith" was the motto of the Fellowship of Christian Athletes this year. To improve the understanding of religion, FCA visited several different area churches.

Through the faith and perseverance of President Alan Baker, the membership increased by five times, females were admitted as equals, and several people were reintroduced to the brotherhood of Christ. FCA helped distribute baskets to the needy and participated in many money making ventures where all of the proceeds went to charity.

"Best Yearbook Ever" — Ed.

1 ↑

2 ↑

Under the supervision of Robin Dusenberry and Laura Lindbloom, and with the advice of Mr. Buchholz, the yearbook staff proudly presents TRIUMVIRATE 1975. Days of hard labor, reams of dummy sheets, endless rolls of film, lost picture orders, layout and copy "discussions," and a few headaches succeeded in driving the staff a little bit crazy but resulted in a sense of satisfaction when the book was finally completed. Without the help of Bob White and "The Oxford Press," Bob Hottle, Phil Ping, and David Buchholz who each submitted pictures for publication, and Sue Taulbee who designed our cover, the production of the TRIUMVIRATE would not have been as easy. Also thanks to Mrs. Buchholz and Jason for putting up with the photography staff running through their house to work in the dark room.

In the beginning, there was a staff; an eager assemblage of individuals, destined to create a masterpiece. Guiding the staff through the trials and tribulations were the editors.

And for the benefit of the multitudes, the editors and the staff came together. They labored over layouts, copy, and photographs. They exerted their powers and began to shape the yearbook.

And when they had exhausted their faculties, they discovered that their labors had not been adequate;

and so they worked harder.

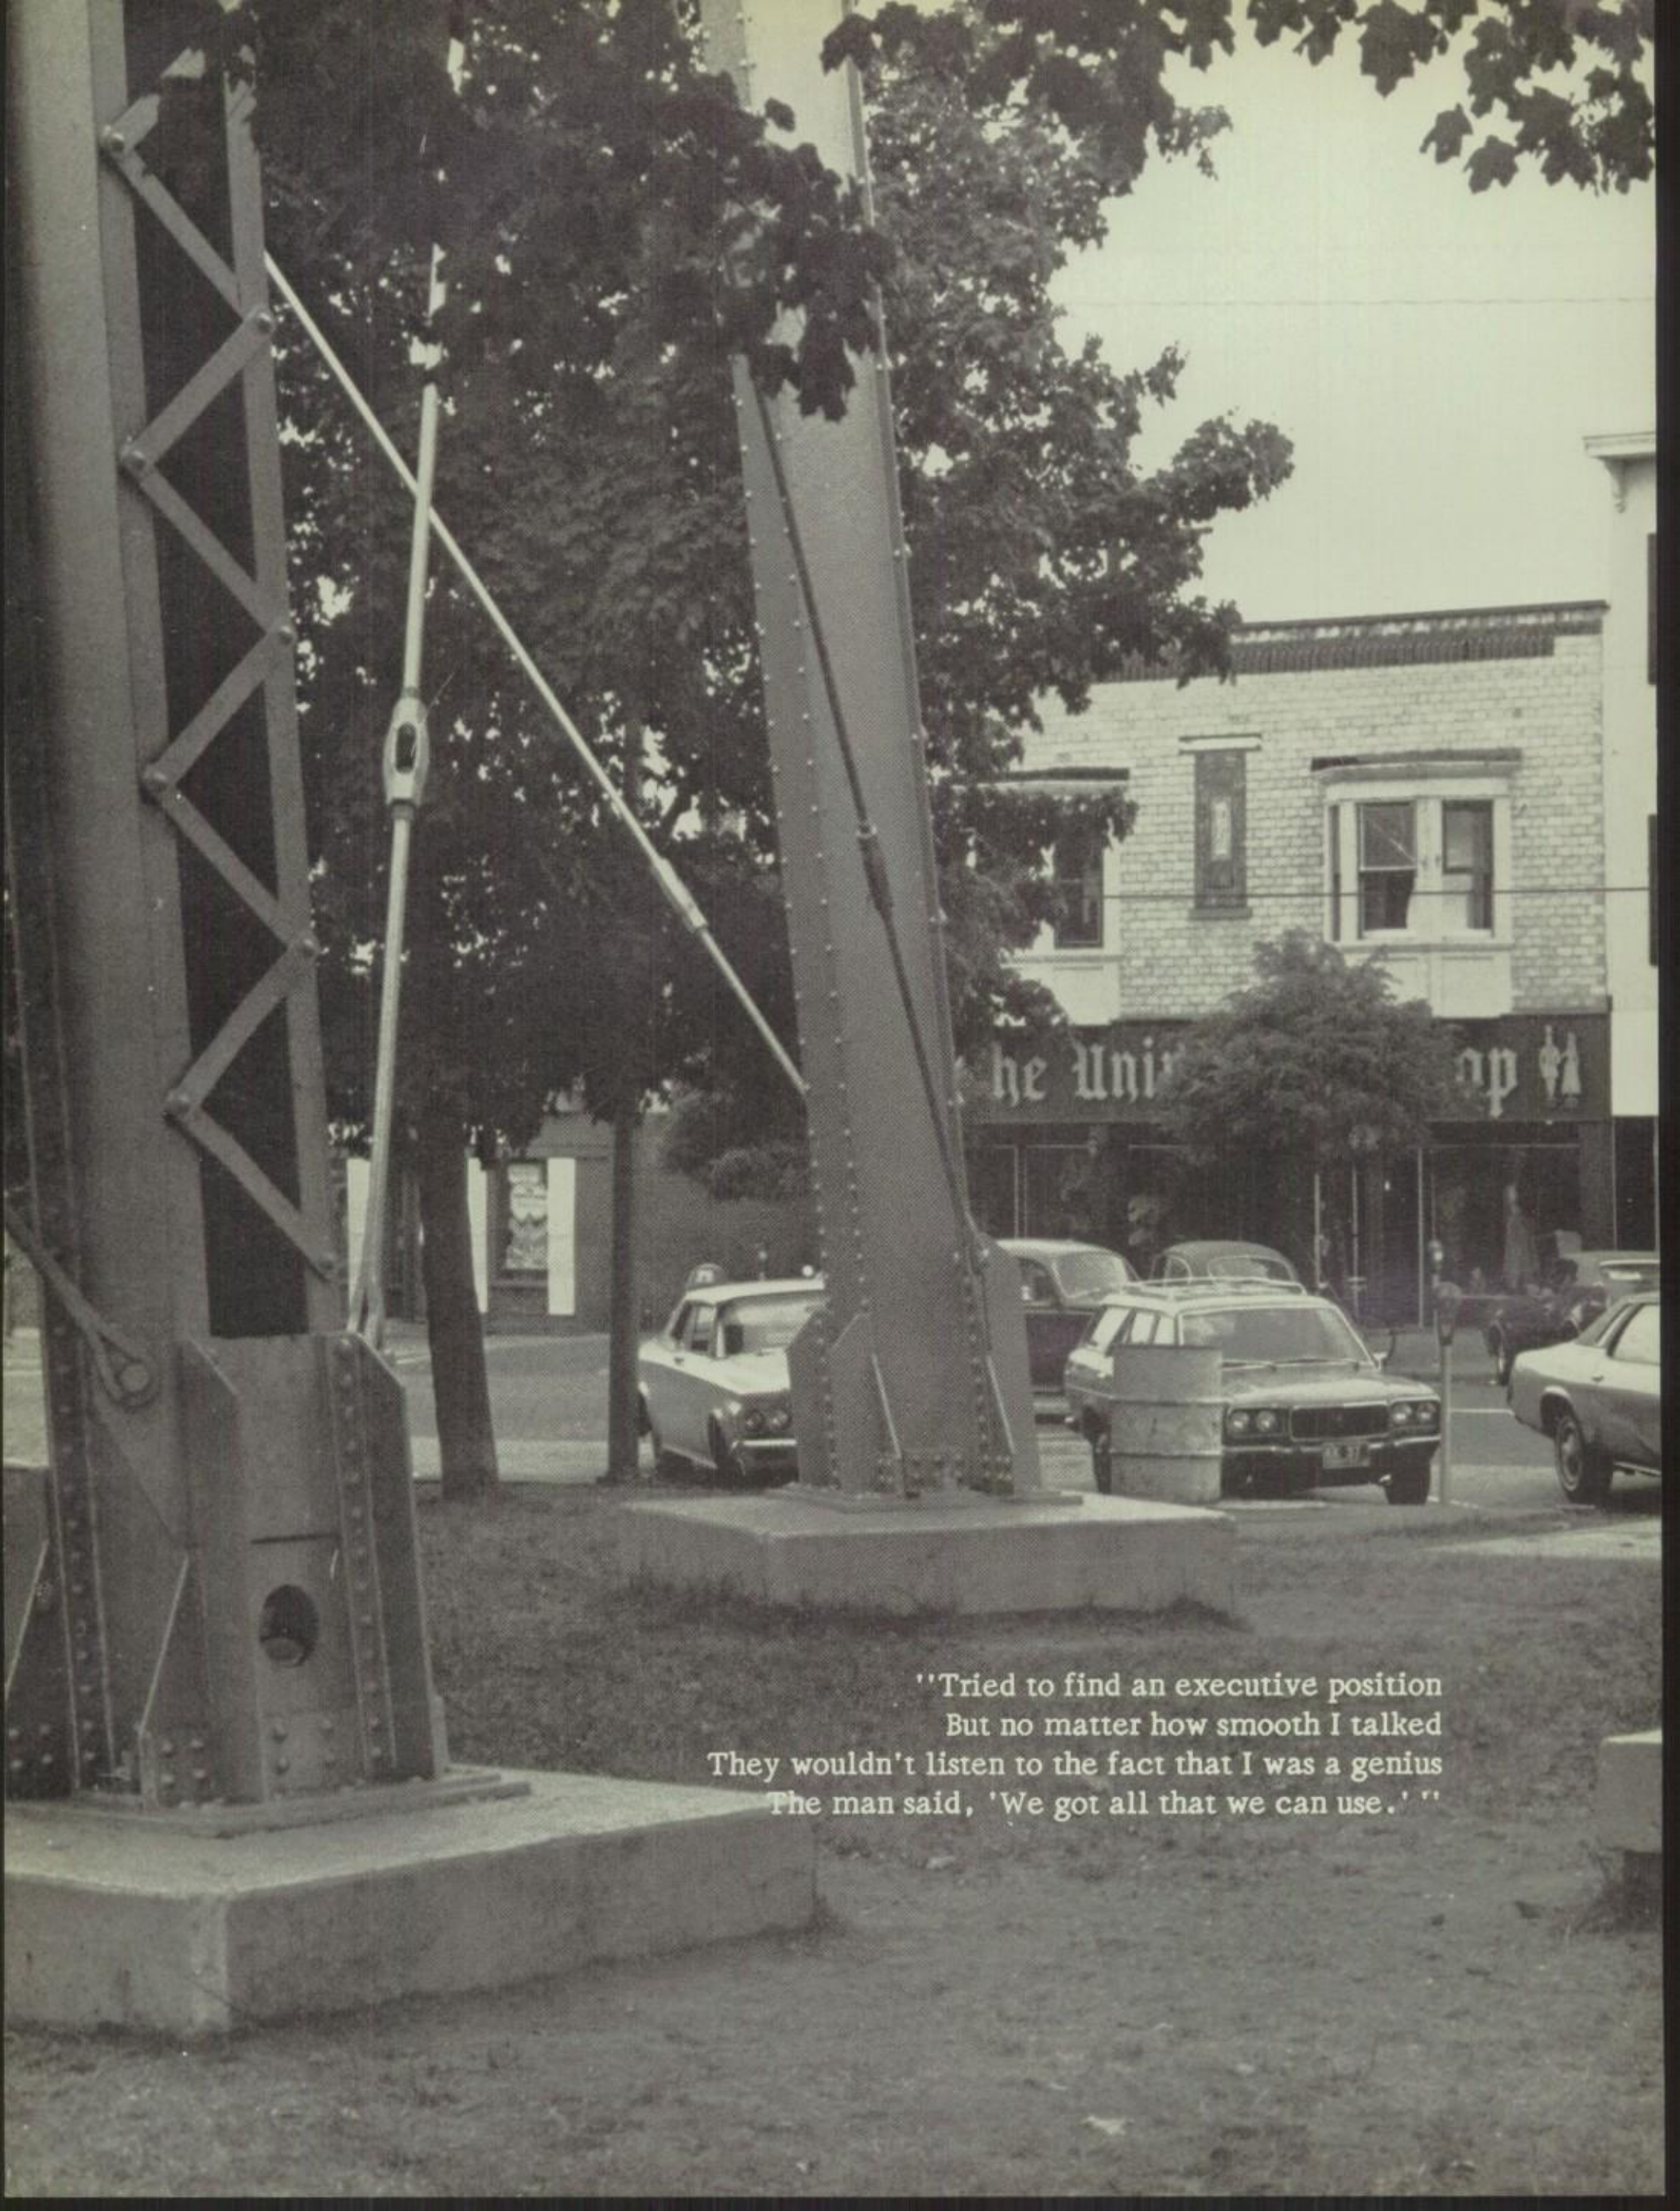

They toiled through identification and developing and wept through returned pages and exposed film.

And, alas, in the end their efforts paid off. For they had created a true masterpiece, a record of the year's events.

And, the book was put into print and bound and distributed to the populace for their own benefit and satisfaction.

Now, with their task completed, they hope this book will be, for you, photographs and memories.
